Requirements:
Must hold an MD/DO degree, or equivalent
Board certified or eligible in Pediatrics, or equivalent
Board certified or eligible in Pediatric Rheumatology, or equivalent
License or eligible for licensure in the State of Iowa

Desirable qualifications:
Clinical experience in pediatric rheumatology
Experience in patient-oriented research
Teaching competence in pediatrics for medical students and residents
Evidence of scholarly activity
Strong oral and written communication and interpersonal skills

The University of Iowa Carver College of Medicine is one of the top biomedical research institutions in the nation and ranked 42nd overall and 20th among public medical schools for NIH funding in FY16. The U.S. News and World Report research ranking places the College 12th among public institutions for FY2016, and the Stead Family Department of Pediatrics ranked 21st overall and 11th in NIH funding among all public pediatric departments nationwide in FY16. The ACGME-accredited pediatric residency program at the Children's Hospital trains 43 pediatric residents.

The Stead Family Department of Pediatrics comprises the medical and research staff of UI Stead Family Children's Hospital. University of Iowa Stead Family Children's Hospital is one of the nation's top-ranked pediatric care and research institutions. It is the only university-affiliated hospital in Iowa devoted solely to the care of infants, children, adolescents and young adults, and is Iowa's only accredited Level 1 Regional Resource Pediatric Trauma Center. In 2016-17 University of Iowa Stead Family Children's Hospital ranked in eight pediatric specialties in the Best Children's Hospitals U.S. News and World Report, including cancer, cardiology and heart surgery, diabetes and endocrinology, neonatology, nephrology, orthopedics, pulmonology, and urology, and is the only hospital in Iowa to be nationally ranked by *U.S. News and World Report* for children's care. A new 189-bed children's hospital opened in February 2017.
