Describing Roles Small group discussion	15 minutes
Navigating the Relationship Small group work	30 minutes
Solving Problems	15 minutes

Faculty

Maryellen E. Gusic MD
Associate Dean for Clinical Education
Penn State College of Medicine
Hershey, PA
mgusic@hmc.psu.edu

Miriam Bar-on, MD
Associate Dean, Graduate Medical Education
University of Nevada School of Medicine
Reno/Las Vegas, Nevada
mbar-on@medicine.nevada.edu

Objectives

To demonstrate a framework for a workshop on mentoring that can be adapted by participants for use at their home institution

At the conclusion of this workshop, participants will be able to:

- Define mentoring and differentiate from role modeling/teaching/advising
- Define the tasks and expectations of a mentoring relationship
- Navigate the relationship
 - Identify the “right mentor” and develop a “mentoring contract”
- Solve problems in a mentoring relationship
