

LT Taskforce – Notes

Spring 2009

*LT Task FORCE GOALS

- Identify and evaluate LT
- Communicate LT – Share warehouse
- Identify LT for resident education

*Reviewed basics of past year:

SHARE WAREHOUSE

2 conference calls, one workshop (yeah!), one collaborative conference call with COMSEP

*IOM workhours and online learning:

- LT can play a role in developing more helpful tools for sign-outs and communication, online learning for conferences missed, etc.
- LT to help with presentations missed due to work hour limits – programs noted posting PowerPoint to a web site (sometimes behind a firewall).
- Podcasts
- Quizzes
- Learning management systems – tracks time on site or has quiz to print out

*APPD LEARN:

- *WORKING GROUP* to be assigned to work with Patty Hicks (Franklin Trimm and Patty Hicks are the leaders)

*SHARE WAREHOUSE

- *WORKING GROUP* to be assigned to work with Anne Burke (leaders are Brian Youth and Joel Forman)

-need to have some ability for LT task force to be able to contribute more to this effort via editorship for LT pieces

- Some issues with downloading – need way to submit support requests
- People are using EVAL forms
- People are using PowerPoint presentation
- Uploading to site can be a bit tricky
- Need LT technology reviews on site
- Could there be a weblog like interface with reviews and comments? More like a thread? (need to discuss/review with webmaster Dave McDonald)
- Can we get a small group to act as an editorial review board?
- **Create a Yahoo or Google Group for the APPD LT Task Force**
 - Group created but is it possible to have this type of group available under the umbrella of the Share Warehouse

- Useful for education portfolios and Promotions
- Learning Technology reviews need to be easy to submit via template
 - No need for these to have to have proprietary rights, academic credit, etc, as with other Share Warehouse pieces
- We need to get to a critical mass in the use of the share warehouse!!

*WORKSHOP

- Rajesh Donthi presented a LT “101” workshop for the fall meeting and goal would be to have a workshop repeated during the fall meeting that is similar and/or to present a similar interactive one for the Spring meeting
- *WORKING GROUP* to be assigned (leaders are Raj Donthi and Ernie Guzman)

*NEW LT

- Online Conferencing
- Online Learning
- Simulation Learning
- Audience response Systems

Learning Management Systems

- Web-Ed
- JAMA review in September 2008 on online education
- Need for Active Learning Modality fro web based modules
- Have content available
- Resident Choice
- Tracking of resident participation
- Tracking of scores
 - Online Conferencing
 - WebX, Blackboard,
 - Remote Teleconferencing
 - PBWiki.com
 - Moodle.com
 - Online Learning
 - Simulation Learning
 - NICU resuscitation
 - Collaboration with local actors guild for videotaped simulated patients on a random basis – residents are not aware
 - PALS
 - Procedural sedation course
 - Trauma course
 - Cultural competency OSCIs videotaped
 - Audience response Systems

*Problem with technology overload – multiple passwords, trainings, etc.

*Plan LT conference calls!

*June 12th 1100A Eastern

APPD/COMSEP combined LTF HIGHLIGHTS

- EMR
 - White paper/position statement on guidelines and benchmarks for EMR systems in education
 - Working with ACE and ACGME on these guidelines
 - Working with vendors directly
 - APPD Lead for this workgroup (Joel Forman)
- Point of care resources
 - Work to improve sharing of information through reviews to APPD website
 - Can reviews on APPD website be shared with non-members?
 - APPD Lead for this workgroup (Franklin Trimm)
- Electronic Professionalism
 - Guidelines for social networking users and professionalism
 - Form larger working group with interested members from both APPD and COMSEP
 - APPD Lead for this workgroup (Abhay Dandekar)

LEADERSHIP FOR 2009-2010

Outgoing Chair (Abhay Dandekar)

Incoming Chair (Joel Forman), Vice Chair (Franklin Trimm)

Working Groups (2008 and 2009)

* indicates group leaders
