As part of the Children’s Hospital of Pittsburgh’s commitment to improving the health and wellbeing of all children, Children’s Hospital has a policy regarding inappropriate or illegal behavior.

Any individual engaging in inappropriate or illegal behavior will be requested to leave Children’s Hospital property and may not be permitted to return. This behavior includes, but is not limited to:

- Verbal of physical fighting
- Loud voices or hostile tones of voice
- Rude, profane, racist or culturally offensive remarks
- Threats of physical harm, intimidation, or coercive behavior
- Weapons of any type (Including firearms, knives, chemical sprays, etc.)
- Possession of alcohol, illegal drugs, or behavior conducive with alcohol or drug usage
- Inappropriate or offensive clothing
- Any other inappropriate behavior as determined by staff

For the safety and comfort of all children, families, visitor and staff the Children’s Hospital of Pittsburgh Department of Public Safety may remove anyone committing any of these acts, and if warranted, file criminal charges against the individual/s involved. In addition, the individual/s involved may be restricted from returning to the Children’s Hospital of Pittsburgh campus.
