

Road Map to Implementation

IMPLEMENTING THE CURRICULUM

1. In which rotation(s) or educational session(s) will you incorporate this curriculum?

2. How could you tailor this curriculum to the amount of time you anticipate having with your learners?

Anticipated time:

_____ minutes per session x _____ session(s)

Plan for tailoring curriculum:

APA US Child Poverty Curriculum – Medicaid Module

3. Who are collaborative partners, either internal or external to your institution, for successful implementation?

4. What are the anticipated barriers at your institution for implementing this curriculum?

5. What outcomes or measures will you need to keep track of as you implement this curriculum to gauge whether or not it is having a positive impact and help you to make refinements as needed?
