

# Breakout #1: Current Training

*What are you doing at your institution to train residents on parenting behaviors that foster optimal child development?*

- 1. What are you teaching? (language development, responsive parenting, executive function skills, etc.)**
- 2. How are you teaching it? (lectures, small groups, etc.)**
- 3. Who teaches it? (clinic preceptor, behavior and development, psychiatrist, etc.)**
- 4. When does this learning occur? (PGY1, PGY2, throughout, etc.)**
