Pediatric Emergency Medicine and Pediatric Physicians
(Full-time and Moonlighting Opportunities)

The Icahn School of Medicine at Mount Sinai’s affiliation with Elmhurst Hospital Center, serving the culturally diverse community of Western Queens, seeks full-time BC/BE Pediatric Emergency Medicine physicians and BC/BE pediatricians to join the growing Division of Pediatric Emergency Medicine at the Elmhurst Hospital Center.

Elmhurst Hospital Center is a member of New York City’s HHC (Health and Hospitals Corporation) public hospital system. The Division of Pediatric Emergency Medicine (within the Department of Pediatrics) is made up of pediatric emergency and pediatric physicians from the hospital and the community. The pediatric emergency department, a Level 1 trauma center, cares for approximately 60,000 children and adolescent per year, making it one of the busiest pediatric EDs in New York City.

The Pediatric Emergency Department is physically separate from the adult Emergency Department and is staffed by pediatric nurses, pediatric and emergency medicine residents and a pediatric nurse practitioner. There are a wide variety of opportunities for program development and academic advancement in the areas of trauma, simulation, quality & safety and medical education.

We offer faculty appointment at the Icahn School of Medicine at Mount Sinai commensurate with credentials, experience and qualifications. Candidates should be BC/BE in Pediatric Emergency medicine or Pediatrics and possess a valid New York State license and DEA. **Moonlighting opportunities allow for flexible shift times, lengths, and frequency.**

Applicants should send their CV with a cover letter to Dave Walker, MD, Director of Pediatric Emergency Medicine, Department of Pediatrics; Elmhurst Hospital Center, 79-01 Broadway, C6-10, Elmhurst, NY 11373 or via email: walkerd@nychhc.org. For more information potential candidates may call 718-334-3380.

The Icahn School of Medicine at Mount Sinai is an equal opportunity/affirmative action employer. We recognize the power and importance of a diverse employee population and strongly encourage applicants with various experiences and backgrounds.
