Association of Pediatric Program Directors

Fall Meeting

September 27-29, 2017

Renaissance Arlington Capital View
Arlington, Virginia

Final Program
Welcome to the 2017 APPD Fall Meeting

Welcome to the 21st annual APPD Fall Meeting! I am so glad you are here. The program contains practical information about routine GME leadership and also several current hot topics that are of interest to new and more experienced leaders alike. The program also contains carefully thought out “wellness breaks” and opportunities for networking. I hope you will take advantage of both of these as well as the great sessions. Our goal is that you return home energized with new information and processes, have connections with which to follow-up, and are reasonably rested and ready to implement enhancements to your program. This meeting is for you. We look forward to your participation and your feedback.

R. Franklin Trimm MD
APPD President

APPD 2017 Fall Meeting Program Executive Planning Committee

R. Franklin Trimm, MD, Program Chair
APPD President
University of South Alabama Pediatrics Residency Program

Amy Gaug, BA
APPD Coordinators’ Executive Committee
University of Minnesota

Katherine Mason, MD
APPD Fellowship Directors’ Executive Committee
Hasbro Children’s Hospital and Brown University

Glenn Rosenbluth, MD
APPD Associate Program Directors’ Executive Committee
University of California at San Francisco

Rebecca Blankenburg, MD, MPH
APPD Board of Directors
Stanford University

Javier Gonzalez del Rey, MD, MEd
APPD President-Elect
Cincinnati Children’s Hospital Medical Center

MISSION

The Association of Pediatric Program Directors (APPD) serves pediatric programs by leading the advancement of education to ensure the health and well-being of children.

VISION

Exemplary pediatric education.

VALUES

The leadership is governed by these principles:
- Leadership
- Innovation
- Collaboration
- Scholarship
- Engagement

APPD Leadership

APPD Leadership in Educational Academic Development (APPD LEAD)
www.appd.org/ed_res/LEAD.cfm

APPD LEAD is a nationally recognized program that provides a unique opportunity for pediatric academic leaders in medical education to engage and learn from seasoned program directors, pediatric educators, and other national leaders in pediatrics. The LEAD curriculum focuses on organizational leadership, competency-based curriculum development, faculty development, residency and fellowship program administration, scholarship and career development. The curriculum is paced over three educational conferences, with additional group activities, readings and project work expected between conferences.

APPD Longitudinal Educational Assessment Research Network (LEARN)
http://learn.appd.org

LEARN is the APPD's Longitudinal Educational Assessment Research Network. APPD LEARN provides infrastructure for multicenter, collaborative research projects by and for Pediatric residency programs.

LEARN’s mission is to conduct meaningful educational research that advances the training of future Pediatricians by developing and promoting participation and collaboration in research by program directors for the purpose of improving the health and well-being of children. Our vision is to advance exemplary pediatric education through collaborative educational research by Pediatric program directors. APPD LEARN pursues its mission through the following interconnected activities:

• Managing a collaborative research network of Pediatric Programs working together to conduct multi-site studies of educational methods and instruments
• Maintaining an online repository of educational research study materials, raw data, and findings for dissemination to APPD members and collaborators
• Promoting learning opportunities to enhance educational research participation and scholarship by Program Directors
• Providing expert consultation for research conducted within APPD LEARN
• Communicating regularly with the APPD membership and the larger medical education community about activities, opportunities, and outcomes
• Exploring, conducting, and coordinating research with other organizations and initiatives across a continuum of medical and non-medical education

APPD LEARN STAFF
Alan Schwartz, PhD, Director

MEETING PROGRAM

7:30-8:30am  Registration and Continental Breakfast <ALL>
Ballroom Foyer

8:30-9:00am  Welcome & Introduction to APPD <ALL>
Salons 1-4
R. Franklin Trimm, MD, APPD President, Pediatric Residency Director, University of South Alabama

9:00-11:45am  Program Organization 101 <ALL>
Salons 1-4
This session is designed for all program leaders (PDs, APDs, Coordinators, FPDs) who are new to their roles and those wanting a refresher about the important activities of GME program leadership, including the annual cycle for both core programs and fellowships. Potential topics may include Match and Recruitment, Reporting to the governing bodies (ACGME, ABP), Trainee Assessment, and Program Evaluation. Attendees will have numerous opportunities for Q&A with the presenters and other program experts, plus participation in problem solving discussions and the exploration of specific questions and topics. Presenters: Pamela Carpenter, MEd, C-TAGME, Program Manager, Education Enterprise, University of Utah; Geoffrey Fleming, MD, Fellowship Program Director, Vanderbilt University; Brian Lurie, MD, MPH, FAAP, Faculty General Pediatrics Director Outpatient Clinic, Carolinas Medical Center; and Michelle Holloway Nichols, MD, Program Director, University of Alabama Medical Center

11:45am-1:00pm  Lunch (provided by APPD) / Networking Opportunity  <PD> <APD> <FD> <OKP>
Salons 1-4

1:00-3:00pm  Key Stakeholders – Updates from the Academy of Pediatrics (AAP), American Board of Pediatrics (ABP), Accreditation Council of Graduate Medical Education (ACGME), and Pediatrics Milestones Assessment Collaborative (PMAC)  <ALL>
Salons 1-4
1:00-1:20pm  AAP – Charlette Blackful, Manager, E-Learning Content, AAP
1:20-1:50pm  ABP – Gail McGuinness, MD, Executive Vice President, ABP
1:50-2:05pm  ABP Q&A
2:05-2:35pm  ACGME – Suzanne Woods, MD, FAAP, FACP, Chair, Review Committee for Pediatrics and Caroline Fischer, MBA, Executive Director, Accreditation Standards, Review Committee for Pediatrics, ACGME
2:35-2:50pm  ACGME Q&A
2:50-3:00pm  PMAC – Patricia Hicks, MD, MHPE, Director, PMAC, and Alan Schwartz, PhD, MS, Director, APPD LEARN (Longitudinal Educational Assessment Research Network)

3:00-3:15pm  Wellness Break
3:15-5:00pm  **Section-Specific Group Sessions**
Participants will work in section-specific groups to delve more deeply into specific topics of interest, using tools to maximize the structure and organization of their own programs.

**Associate Program Directors  <APD>**
**Studio B**
Associate Program Directors will have the opportunity to network and discuss APD-specific faculty development needs. Discussion topics will be guided by attendee interest, and may include project development, career advancement, balancing multiple roles, time management, conflict resolution, and more. In addition, we plan to have a "Cool Idea Think Tank" at which attendees can share project ideas and receive peer feedback and tips for success. *The session will be led by members of the Associate Program Directors’ Executive Committee, Associate Program Directors’ Grassroots Forum Leaders (APD SIG), and other senior Associate Program Directors.*

**Coordinators’ Session <PC, FC>**
**Studio E**
3:15-4:15pm  **Coordinators’ Executive Committee Overview and General Information**
During this session, attendees will have the opportunity to ask questions. We will also divide into program specific groups and discuss timely topics applicable specifically to Fellowship or Residency Programs and draw on the experience of all present. *This session will be led by the Coordinators’ Executive Committee.*

4:30-5:00pm  **AAP (American Academy of Pediatrics): Setting up EQIPP for Residents in your program**
*Charlette Blackful, Manager, E-Learning Content; Lori Morawski, Manager of Quality Improvement Programs; and Amanda Hernandez, Resident Membership Database Specialist*
Presenters will demonstrate how coordinators can utilize PediaLink to set up EQIPP for Residents in their program and will guide them through each step of the process of creating groups, assigning faculty, and more.

**Grassroots Session for Fellowship Program Directors  <FPD>**
**Studio D**
Representatives from key stakeholders, including the ACGME, ABP, NRMP, and SPIN (Subspecialty Pediatric Investigators Network) will present and discuss recent, new, evolving, and proposed initiatives that have direct impact on fellowship training. This is an excellent opportunity to gain more in depth knowledge about critical issues that affect you and your program! *Presenters: Suzanne Woods, MD, FAAP, FACP, Chair, Review Committee for Pediatrics; Caroline Fischer, MBA, Executive Director, Accreditation Standards, Review Committee for Pediatrics, ACGME; Laura Edgar, EdD, CAE, Executive Director, Milestones Development, ACGME; Gail McGuinness, MD, Executive Vice President, ABP; Laurie S. Curtin, PhD, Chief Policy Officer, National Resident Matching Company (NRMP); and Richard Mink, MD, MACM, Subspecialty Pediatric Investigators Network (SPIN).*

**Categorical Program Directors Session  <PD>**
**Salons 5-7**
*Session leaders: Javier Gonzalez del Rey, MD, MEd, Cincinnati Children’s Hospital Medical Center and Rebecca Blankenburg, MD, MPH, Stanford University*

3:15-4:00pm  **Time Management: Use It or Lose It**
Time management is an essential skill required for a successful career as a Pediatric Program Director. Technology, if used incorrectly, can actually make us inefficient and “unfocused”. During this interactive session, participants will be able to understand different barriers and common mistakes, incorporated in daily routines, that affect productivity. Attendees will be able to walk though a “typical” day, identify distractions, personal barriers, and potential solutions, which will then allow them to complete an action plan to take home and become more effective and productive leaders. At the end of this session, participants will be able to:
1. Identify key elements for effective time management
2. Describe personal barriers and strength in managing time
3. Develop a personal grid for effective and efficient personal time management.
4:15-5:00pm  **The Art of Negotiations: Win – Win vs. Compromise**
During this interactive session, participants will be introduced to basic concepts in communication and conflict management as the first step prior to introduction of Win-Win Concept. Using real educational, administrative, and clinical cases, attendees will be then introduced to concept such as BATNA (Best Alternative to Negotiate Agreement) and the Meeting Objective / Goal Approach. At the end of this workshop, participants should have a clear understanding of the difference between Win-Win vs Compromise applied to education, administration, and clinical practice.

At the end of this session, participants will be able to:
1. List essential elements of communication (verbal / non verbal) and conflict management.
2. Discuss the differences between Win-Win vs Compromise and apply techniques to lead groups or individual interactions to a win-win outcome.
3. Develop negotiations techniques / BATNA and specific rules for coming to agreement.

5:00-5:15pm  **Wellness Break**

5:15-6:00pm  **Beyond Repeal: What’s Next in Federal Advocacy for Child Health <ALL>**
*Salons 5-7*
*James D. Baumberger, MPP, Assistant Director, Department of Federal Affairs, American Academy of Pediatrics*

6:00-6:30pm  **Wellness Break**

6:30-8:30pm  **Keynote Dinner and Address <ALL>**
*Salons 1-4*
*Character Is Plural: Be Who You Needed When You Were Younger*
*Linda Waggoner-Fountain, MD, MEd, Program Director, The University of Virginia*
8:00-8:30am  Continental Breakfast  
Ballroom Foyer

8:30am-12:00pm  Hot Topic: Addressing New ACGME Requirements - Well-Being & Fatigue Mitigation <ALL>
Salons 1-4

The 2017 Common Program Requirements place increased emphasis on the well-being of physician trainees. In this session, we will provide strategies for programs to implement that target key content areas. We will review the literature on sleep and physician performance, and highlight practical tips for fatigue risk management planning, including work hours management. We will also review approaches to reduce burnout and enhance resiliency and to provide second victim support and self-care for all team members. This interactive session will include presentations, break-out groups to discuss successful models and brainstorm new approaches, and large-group report-outs to share best practices.

Faculty: Glenn Rosenbluth, MD, Associate Program Director, University of California (San Francisco); Mark Atlas, Fellowship Director, Hofstra Northwell School of Medicine at Cohen Children’s Medical Center; Pnina Weiss, MD, Director of Fellowships, Yale University School of Medicine; Ndidi Unaka, MD, MEd, Associate Director, Cincinnati Children’s Hospital Medical Center/University of Cincinnati College of Medicine; Pamela Carpenter, MEd, C-TAGME, Program Manager, Education Enterprise, University of Utah, Charlene Larson Rotandi, AB, C-TAGME, Program Coordinator, Stanford University; John Mahan, MD, Program Director, Nationwide Children’s Hospital/Ohio State University

12:15-2:45pm  Lunch / Grab & Go to Section-Specific Sessions  
Ballroom Foyer

Categorical Program Directors/ Associate Program Directors Joint Session  <PD, APD>
Salons 1-4

12:30-1:30pm  Meet the Professor - APPD Mentoring Session for Program Directors and Associate Program Directors

Organized by APPD Mentoring Leadership Committee of the Faculty and Professional Development Task Force - Drs. Megan Aylor, Aditee Narayan, Erika Abramson, Michelle Barnes, Kimberly Gifford, Bruce Herman, Lauren Nassetta, and Marsha Anderson
Participants will join faculty experts to receive guidance on topics specific to their role as educators and program leaders. Topics include: skills development in education research, curriculum, assessment, learning technology, quality improvement, program management, work/life balance and others. Grab your boxed lunch and enjoy the company of wonderful APPD colleagues. Open to all Associate Program Directors and Program Directors.

1:45-2:45pm  APDs and PDs will continue to meet to discuss other issues of importance to the program and the individual.

Coordinators’ Session <PC, FC>
Salons 5-7

12:15pm-1:15pm  ERAS (Electronic Residency Application Service) Update
Patrick Fritz Director, ERAS and Gary Lee Sr. Specialist, ERAS
This presentation will provide an overview of the ERAS Program Directors Workstation (PDWS), including updates and enhancements from the previous season. It will also provide a demo of the Interview Scheduler module, its core functions, and discuss frequently asked questions. There will be time to respond to participant questions.

1:30pm-2:00pm  What kind of professional development opportunities are there for a Program Coordinator?
Amy Gaug, Senior Residency Program Administrator, University of Minnesota
This will be a discussion regarding opportunities that seasoned coordinators have found in their roles as coordinators. Attendees should leave this with ideas and goals for their own future development.

2:15pm-2:45pm  Technology Review
Pamela Carpenter, MEd, C-TAGME, University of Utah
This interactive workshop will be an overview of various technology tools that you can use to help make life more manageable, including the latest trends in educational technology. Bring your smartphone, tablet, or laptop so you can bookmark and save programs as we demonstrate!
12:15-2:45pm  Fellowship Program Directors <FPD>  
**Studio B**

12:15-12:30pm  CoPS Update (Council of Pediatric Subspecialties)  
*Debra Boyer, MD, CoPS Executive Committee*

12:30-2:45 pm  Fellowship Program Directors: Planning for Your Professional Success!  
*APPD Fellowship Directors' Executive Committee: Pnina Weiss, MD, Angela Myers, MD, MPH, Kathleen McGann, MD, Katherine Mason, MD, Jennifer Kesselheim, MD, MEd, MBE and Christine Barron, MD*  
This is an interactive workshop that will focus on identifying and developing the skills and opportunities for your advancement and promotion in the arenas of scholarship, leadership and professional growth.

12:30-1:30pm  Turning Education into Scholarship: Seeking Credit for What You Are Already Doing  
You work hard at teaching, developing curriculum and scholarship; make it count! The first session is an interactive workshop focusing on turning your educational work into meaningful scholarship. The workshop will provide resources and tips for development and dissemination of scholarship.

1:30-1:45pm  Wellness Break

1:45-2:45pm  Beyond Program Directorship: Considering Career Development Options  
*Panelists: Dena Hofkosh, MD, MEd, Vice Chair for Faculty Development, Department of Pediatrics, Associate Dean for Faculty Affairs, University of Pittsburgh, Immediate Past President APPD; Hilary Haftel, MD, MHPE, Associate Chair for Education, University of Michigan, APPD LEAD Council; Mary Ottolini, MD, MPH, MEd, DIO/Vice Chair for Medical Education, Children’s National Health System (Immediate Past President APA); Richard Mink, MD, MACM, Division Chief, Pediatric Critical Care, Harbor-UCLA Medical Center (Director of SPIN, PCC Fellowship Director, past chair Council of Pediatric Subspecialties); Katherine Mason, MD, Vice Chair of Education, Brown University (Superfellowship director, APPD FPD EC Committee); Kathleen McGann, MD, Vice Chair of Education, Duke University (APPD FPD EC Committee)*

You have demonstrated leadership by becoming a program director. What next? The second session will provide a panel presentation focusing on the range of career options for medical educators, such as super-fellowship director, vice chair of education, journal editor, president of subspecialty organization, and DIO. Panelists will share their experiences and practical advice about how to get there from here! Come with questions for the panel for this interactive session!

2:45-3:00pm  Wellness Break

3:00-5:30pm  Hot Topic:  Match Frenzy – What is Known and What is Needed <ALL>  
**Salons 1-4**

This session is designed for all program leaders (PDs, APDs, Coordinators, FPDs) wanting to improve the recruitment process. Leaders from medical student, residency, and fellowship education will share current data on matched and unmatched residents and fellows, and reasons for why they do not match. In addition, innovations and best practices for recruitment will be shared. Participants will then brainstorm processes for improving recruitment and matching both at their own programs and nationally.  
*Faculty: Robert Vinci, MD, Department Chair, Children’s Hospital/Boston Medical Center; Sherilyn Smith, MD, Clerkship Director, University of Washington; Becky Blankenburg, MD, MPH, Program Director, Stanford University; Amy Gaug, Senior Program Administrator, University of Minnesota; Christine Barron, MD, Fellowship Director, Brown University; Brian Lurie, MD, MPH, FAAP, Faculty General Pediatrics Director Outpatient Clinic, Carolinas Medical Center*

5:30-6:30pm  Networking Reception <ALL>  
**Ballroom Foyer**
The APPD Share Warehouse is a unique opportunity for members to collectively share and use content that supports the mission of pediatric residency education. The APPD Share Warehouse is a virtual, web-based, collaborative project that provides a place for APPD members to browse, search, use, and share resources, including policies, curricula and evaluation tools. It’s a perfect place to submit workshop materials, poster presentations, and resources for Task Forces and PEGs. Learners, leaders, and all team members will benefit from a rich repository of information and practical applications for our diverse needs.

The APPD Share Warehouse is emblematic of our community of members: innovative, collaborative, and scholarly. Learning together from our shared work cultivates great new solutions and ignites innovation. Members may share their work and report its use as part of their portfolio of scholarship. Explore the APPD Share Warehouse and submit materials to the site. And let us know how we can adapt the site to meet your needs. When we share and innovate together, all members benefit.

Share Warehouse Design and Editorial Team

Alan Chin, MD, Share Warehouse Team Leader
University of California-Los Angeles

Abhay Dandekar, MD, Share Warehouse Editorial / Peer-Review Leader

APPD Share Warehouse

Friday, September 29, 2017

8:00-8:30am  Continental Breakfast
Ballroom Foyer

8:30am-12:00pm  Hot Topic: Preparing for Your Program’s Self-Study/Site Visit <ALL>
Salons 1-4
This session is designed for all program leaders (PDs, APDs, Coordinators, FPDs) wanting to gain knowledge and hands on experience in how to prepare their programs for the ACGME Self-Study / Site Visit process. During this interactive workshop, attendees will receive key information about different steps and process directly from ACGME Leadership. Program directors who have already participated in a self-study assessment, will share best practices to have a successful site visit. Participants are encouraged to bring their questions, current data, AIMS, and whatever they would like to receive feedback on during small group discussions. Faculty: Ingrid Philibert, PhD, MBA, Senior Vice President, Department of Field Activities, Accreditation Council for Graduate Medical Education (ACGME); John Frohna, MD, MPH, Program Director and Vice Chair of Education, University of Wisconsin; Michele Brooks, C-TAGME, Program Coordinator, Stanford University; Tammy Bleeker, Assistant Director, Education & Training, University of Florida; Sara Multerer, MD, Program Director, University of Louisville
CME Information for Physicians

Accreditation Statement
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Amedco and the Association of Pediatric Directors. Amedco is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement
Amedco designates this live activity for a maximum of 20.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Meeting Feedback
Please check your registration packet and informational emails you receive during and after the meeting for details on our online evaluation form. Your feedback on the sessions you attend is essential to future meeting planning. Thank you for providing this important information.

WiFi Information
Wifi Access is provided by APPD throughout the meeting space. Passcode: APPD2017

Luggage Storage
As a courtesy to those who will be checking out of their hotel room on Friday morning, we have set aside Studio D (2nd floor meeting room) from 7:00 am-1:00 pm where you may leave your luggage. Please note that luggage will be left at your own risk, with neither APPD nor the Renaissance Arlington Capital View Hotel assuming any responsibility for your belongings.

Information for Breast-Feeding Moms
If you do not have a sleeping room at the Renaissance Hotel and/or just need a private area to pump during the meeting, please stop by the registration desk. The hotel will make one of their offices available for this purpose on an as needed basis.

Live-Streaming / Recording Prohibited
The use of live-streaming devices and other recording devices during the APPD Meeting is prohibited.

APPD Photo Releasse
By registering for this APPD Meeting, attendees consent to be photographed during the course of the meeting, with the understanding that these images will be used in APPD documents and publications only. If anyone prefers to not have their photo used by APPD, please contact info@appd.org. We also request that you notify the photographer at the time a photo is being taken in which you may be included.

Insurance
APPD cannot accept responsibility for personal losses, accidents, or damages to participants and/or accompanying persons. Participants are therefore strongly advised to obtain personal insurance to cover any eventuality that may occur during the Conference.
Membership - www.appd.org/about_us/meminfo.cfm
Membership in the APPD is through the accredited core pediatric residency program. The greatest benefits of APPD are in connections, networking and personal relationships. APPD serves you in your personal growth, career development, program improvement, and service to faculty, trainees, and, most importantly, to the children who need medical care. If you are not a member, please contact your residency program director or coordinator and ask to be included!

Task Forces - www.appd.org/activities/taskforce.cfm
The APPD has five main task forces which focus on Assessment, Curriculum, Faculty and Professional Development, Learning Technology, and Research and Scholarship. APPD members are welcome to join a task force - there is no additional fee, requirement, or specific skill needed. Join a task force during the APPD Annual Spring Meeting, contact one of the leaders for ongoing activities between meetings to get involved, or contact the APPD office for more information (info@appd.org).

Regions - www.appd.org/activities/regions.cfm
In addition to the national organization, pediatric programs in APPD are divided into regions. These regional groups have leadership opportunities, meetings and activities which are a vital part of the APPD.

Pediatric Education Groups (PEGs) - www.appd.org/activities/PEGs.cfm
Pediatric Education Groups (PEGs) New focus groups have been added within APPD and would welcome your interest and involvement. Currently, there are five APPD Pediatric Education Groups (PEGs) including Community Health & Advocacy Training PEG, Pediatric Global Health Educators PEG, LGBTQA PEG, Healthcare Simulation in Pediatrics PEG, and Under Represented Minorities in Pediatric GME PEG. Contact the APPD office for more information (info@appd.org).
