MEETING PROGRAM

7:00 am  Registration Opens
8th Level Terrace

7:30-8:00am  Continental Breakfast
8th Level Terrace

8:00-8:30am  Welcome to the APPD Fall Meeting and Intro to APPD <PD, APD, FPD, PC, FC, OKP>
Peachtree Ballroom
Dena Hofkosh, MD, MEd, APPD President, Associate Dean for Faculty Affairs, University of Pittsburgh School of Medicine and various other APPD leaders from APPD Executive Committees, Task Forces, Pediatric Education Groups, and Regions

8:30-11:30am     PROGRAM ORGANIZATION 101: Basics of day-to-day program leadership for PDs, APDs, Coordinators, FPDs <PD, APD, FPD, PC, FC, OKP>
Peachtree Ballroom
Geoffrey Fleming, MD, Fellowship Program Director, Vanderbilt University; Javier Gonzalez del Rey, MD, MEd, Pediatric Residency Program Director, Cincinnati Children’s Hospital Medical Center; David J. Hall, MD, Associate Program Director, ACH-JHM; Courtney Judd, MD, Associate Program Director, SAUSHEC Peds/San Antonio Military Medical Center; Charlene Larson Rotandi, AB, AA, Fellowship Coordinator, Stanford University; Roberta Vicari, MD, Associate Program Director, Our Lady of the Lake RMC
This session is designed for all program leaders (PDs, APDs, Coordinators, FPDs) who are new to their roles and those wanting a refresher about the important activities of GME program leadership, including the annual cycle for both core programs and fellowships. Topics include Match and Recruitment, Reporting to the governing bodies (ACGME, ABP), Trainee Assessment, and Program Evaluation. The group will participate in small group discussions at tables to allow for networking, problem solving and exploration of specific questions and topics.

11:30-11:45am  Break
8th Level Terrace

11:45am-1:45pm Section-Specific Group Sessions
Participants will work in section-specific groups to delve more deeply into specific topics of interest, using tools to maximize the structure and organization of their own programs. Please grab a lunch at the 8th Level Terrace and proceed to your meeting room.

Asssociate Program Director Session <APD>
Augusta AB
In addition to covering topics from Program Organization 101, Associate Program Directors will have the opportunity to network and discuss APD-specific faculty development needs, including career advancement, negotiations for your multiple roles, time management and conflict resolution. Lunch will be included. The session will be led by members of the Associate Program Directors’ Executive Committee, Associate Program Directors’ Grassroots Forum Leaders, and other senior Associate Program Directors: Megan Aylor, MD, Oregon Health Sciences University; Aisha Barber Davis, MD, Children’s National Medical Center/George Washington University School of Medicine and Health Sciences; Lynn Gardner, MD, Emory University School of Medicine; Sara Multerer, MD, University of Louisville; Aditee Narayan, MD, MPH, Duke University Medical Center; Sue Poynter Wong, MD, Cincinnati Children’s Hospital Medical Center; Sydney Primis, MD, Carolinas Medical Center - Levine Children’s Hospital; Glenn Rosenbluth, MD, University of California, San Francisco; Daniel Schumacher, MD MEd, Cincinnati Children’s Hospital Medical Center.

Coordinator Session <PC, FC>
Categorical Coordinators <PC> – Augusta C
Fellowship Coordinators <FC> – Augusta D

Coordinators’ Question and Answer Session
This session will give coordinators an opportunity to convene separately based on type of program (Fellowship vs. Residency) for a Q&A session with seasoned and new coordinators. Fellowship Coordinators will be in one room and Residency Coordinators in another. Attendees will have an opportunity to ask questions from items
discussed in the Program Organization 101 session. The session will be led by the Coordinators’ Executive Committee: Teresa Flournoy, MBA, C-TAGME, Children’s Mercy Hospital; Pamela Carpenter, BA, C-TAGME, University of Utah; Charlene Larson Rotandi, AB, AA, Stanford University; Teresa Woods, C-TAGME, Saint Louis University; Michelle Brooks, Stanford University; Kelley Pike, BA, Albany Medical Center.

Categorical Program Director Session <PD>  
**Augusta GH**  
During this session, Program Directors will have the opportunity to discuss important topics related to day-to-day management of the residency program, such as: recruitment and retreats, Clinical Competency Committees, remediation, NAS processes, developing your faculty, residents’ wellness, cultural competency and diversity training, and other important topics that are part of daily operations in a residency program. Attendees will be able to join experienced PDs representing large, medium and small size programs, as well as other APPD leaders in an informal Q&A format. Different tools, documents and resources will be available at each table and through the APPD Share Warehouse that could be adapted to participants’ home programs.  
Eyal Ben-Isaac, MD, Children’s Hospital of Los Angeles; Becky Blankenburg, MD, MPH, Stanford University / Lucille Packard Children’s Hospital; John Frohna, MD, MPH, University of Wisconsin; Javier Gonzalez del Rey, MD, MEd, Cincinnati Children’s Hospital Medical Center; Casey Hester, MD, Oklahoma University Health Sciences Center; Amanda Osta, MD, University of Illinois at Chicago; Sue Poynter Wong, MD, Cincinnati Children’s Hospital Medical Center; Daniel West, MD, University of California San Francisco.

Fellowship Program Director Session <FPD>  
**Augusta EF**  
This session will include two components. The first half of the session will be devoted to mentoring, which will include a short didactic followed by facilitated discussion of trainee mentoring, peer-peer mentoring, and mentoring for faculty development. The second half of the session will be devoted to fellowship specific program organization. Topics of discussion will include: the annual program cycle, meeting the ACGME requirements, working with your program coordinator, program assessment, scholarly activity, career mentoring, recruitment, and curriculum development. Participants will leave with new tools and skills to use within their program and institution. The session will be led by the following members of the Fellowship Directors’ Executive Committee: Geoffrey Fleming, MD, Vanderbilt University; Bruce Herman, MD, University of Utah; Katherine Mason, MD, Rainbow Babies & Children’s Hospital; Kathleen McGann, MD, Duke University Medical Center; Angela Myers MD, MPH, Children’s Mercy Hospital; Pnina Weiss, MD, Yale University School of Medicine.

### Key Stakeholders Session – Updates from the ABP, ACGME, CoPS, and APPD <PD, APD, FPD, PC, FC, OKP>  
**Peachtree Ballroom**

2:00-4:15pm  
2:00-2:05pm  Brief Intro to afternoon, Dena Hofkosh, MD, APPD President  
2:05-3:30pm  Key Stakeholders Updates  
2:05-2:25pm  ABP, Carol Carraccio, MD, Vice President, Competency-based Assessment, American Board of Pediatrics  
2:25-2:55pm  ACGME, David Jaffe, MD, FAAP, Chair RC for Pediatrics; Caroline Fischer, MBA, Executive Director, Accreditation Standards, ACGME Review Committee; Mary Lieh-Lai, MD, Senior Vice President, Medical Accreditation, ACGME  
2:55-3:05pm  CoPS, Rob Spicer, MD, Chair and Richard Mink, MD, MACM, Immediate Past Chair, Council of Pediatric Subspecialties  
3:05-3:30pm  Key Stakeholders Q&A  
3:30-4:05pm  APPD Updates  
3:30-3:35pm  Pediatrics Milestones Assessment Collaborative (PMAC), Patricia Hicks, MD, MHPE, PMAC Director  
3:35-3:40pm  APPD LEARN, Alan Schwartz, PhD, APPD LEARN Director  
3:40-3:45pm  APPD LEAD, Susan Bostwick, MD, APPD LEAD Council Chair  
3:45-3:50pm  APPD View pages in Academic Pediatrics, Robert Vinci, MD, Associate Editor  
3:50-3:55pm  APPD Share Warehouse, Abhay Dandekar, MD, Redesign Project Leader  
3:55-4:05pm  APPD Strategic Plan Summary  
4:00-4:15pm  APPD Q&A

### Federal Advocacy and You: What Program Directors and Leaders Need to Know <PD, APD, FPD, PC, FC, OKP>  
**Peachtree Ballroom**

Mark Del Monte, JD, Chief Public Affairs Officer of the American Academy of Pediatrics, will join us for this special session to update us on recent legislative issues with implications for child health and graduate medical education.
5:15-6:45pm  The “Silent Curriculum” <PD, APD, FPD, PC, FC, OKP>
**Augusta ABCD**
Facilitators: Patricia Poitevien, MD, MSc, NYU School of Medicine / Bellevue Hospital Center and Aisha Davis, MD, Children’s National Medical Center
Join an important discussion moderated by APPD leadership and the URM PEG about the "Silent Curriculum," a commentary published in JAMA about a medical student’s reflections on the silent curriculum in her training. The author poignantly exposes the stereotyping that has become an embedded part of modern healthcare and its influence on her as a physician-in-training. We hope to engage the APPD membership in a safe and open conversation about how unconscious bias, micro aggressions and health equity influence our training environment, while simultaneously recognizing our own contribution to these dynamics. The goal is to create a pathway towards utilizing our roles as healthcare providers and medical educators to better address these issues - for our trainees and for our patients.

7:00-9:00pm  Keynote Dinner and Address <PD, APD, FPD, PC, FC, OKP>
**Peachtree Ballroom**
Ann E. Burke, MD, Pediatric Residency Program Director, Wright State University
Join your fellow attendees for a relaxing evening of good food, networking opportunities and inspiration in the form of the Keynote Address. The Keynote Speaker this year will be Dr. Ann Burke! Dr. Burke is well known for bringing a wealth of experience, compassion, and knowledge to her every endeavor, including her tenure as APPD President from 2010-2012. She currently serves as the pediatric residency program director at the Children's Medical Center of Dayton and associate professor of pediatrics at Wright State University Boonshoft School of Medicine. Dr. Burke was recently honored by election as a director of the American Board of Pediatrics and the ABP Foundation. Additionally, she serves as a current member of the Pediatric RC for the ACGME.

**Thursday, September 17, 2015**

7:00 am  Registration Opens
**8th Level Terrace**

7:30-8:00am  Continental Breakfast
**8th Level Terrace**

8:00-8:45am  Wellness: Fostering Resilience and Balance in Ourselves and our Trainees <PD, APD, FPD, PC, FC, OKP>
**Peachtree Ballroom**
Ann Burke, MD (Co-Leader), Program Director, Wright State University; John Mahan, MD (Co-Leader), Program Director, Nationwide Children's Hospital / Ohio State University; Casey Hester, MD, Program Director, Oklahoma University Health Sciences Center; Sydney Primis, MD, Associate Program Director, Carolinas Medical Center - Levine Children's Hospital; Bruce Herman, MD, Program Director, University of Utah; Michelle Brooks, Program Coordinator, Stanford University; Annie Church, MD, Director, Division of General Pediatrics, University of Tennessee COM at Chattanooga
Pediatric Residency Training may well be the nadir of personal wellness throughout a physician’s career. Self-report of burnout by a sample of pediatric residents are as high as 74%. What can programs do to fend off burn out and foster mindful discussions about wellness and healthy behaviors? This session will explore what is being done and what could be implemented to assist us and our learners in a more mindful and healthy experience as trainees. Come find out what some of your colleagues are doing in this area, practice a few techniques you could use in your own program to bring concepts and conversations about wellness to the forefront and create your own Wellness Plan for yourself and/or your program!

8:45am-12:30pm  Leadership Session
**Peachtree Ballroom**
R. Franklin Trimm, MD, Pediatric Residency Program Director/Division of Developmental and Behavioral Pediatrics, University of South Alabama; Megan Aylor, MD, Assistant Professor, Pediatrics, Oregon Health Sciences University; Pamela Carpenter, BA, C-TAGME, Pediatric Education Manager, University of Utah; Katherine Mason, MD, Fellowship Director Pediatric Critical Care, Rainbow Babies & Children’s Hospital; Kelley Pike, BA, Residency Coordinator, Albany Medical Center
Leading a GME program is an interprofessional collaboration of skills and roles. This session will focus on leadership skills for all members of the leadership team through interactive modules focusing on effective leadership frame-
works, building teams by identifying and using strengths of team members, managing conflict, and learning to celebrate our successes. Participants will work in groups that reflect typical team structure in GME programs.

- Building Blocks for Leadership in Education. David Turner, MD, Duke University Medical Center
- Nurturing a Strong Team: Strategies to Work Effectively as a Program Leadership Team. Megan Aylor, MD, Oregon Health Sciences University; Kelley Pike, BA, Albany Medical Center; Nancy Spector, MD, Drexel University College of Medicine
- Difficult Conversations: Moving from Conflict to Constructive. Katherine Mason, MD, Duke University Medical Center; Glenn Rosenbluth, MD, University of California San Francisco

12:45-4:00pm

Section-Specific Programming: Please grab a lunch at the 8th Level Terrace and proceed to your meeting room.

Coordinator Session <PC, FC>

Augusta EF

12:45-1:45pm

Mentoring Luncheon: "Let Me Pick Your Brain"
Teresa Hudson, C-TAGME, Program Coordinator, Saint Louis University and Michelle Brooks, Program Coordinator, Stanford University
This lunch meeting will be an opportunity to introduce the program coordinators' mentoring program to new members and to allow time for existing mentoring groups to interface and network with their peers. New coordinators, or those without a mentoring group, will have the opportunity to become part of a supporting mentor group. This session will "pair" experienced coordinators to new coordinators in order to share best practices and questions. This will be a highly interactive session and will give attendees the opportunity to "pick the brains" of experts in program coordination.

1:45-2:00pm

Break

2:00-3:00pm

The NAS, Change, and Never-ending Budget Cuts: An Opportunity to Get Creative?
Pamela Carpenter, BA, C-TAGME, Pediatric Education Manager, University of Utah and Kelley Pike, BA, Residency Coordinator, Albany Medical Center
This session will give coordinators instruction on how to harness their inner creativity. This highly interactive session will divide coordinators in groups of both fellowship coordinators and residency coordinators in order to provide strategies on how to foster and utilize their creativity in the workplace with their direct peers. Specifically, groups will learn how to innovate to improve their program, the residency experience for trainees, and boost their own job satisfaction. This session will include instruction on the science of creativity, including brainstorming techniques, playing to your strengths, working backwards, energy management, team development, and increasing your flexibility and the level of innovation in your program.

3:00-3:15pm

Break

3:15-4:15pm

Creating your Professional Development Plan: A Road Map to Success!
Teresa Flournoy, MBA, C-TAGME, Fellowship Coordinator, Children's Mercy Hospital and Charlene Larson Rotandi, AB, AA, Fellowship Coordinator, Stanford University
This session will give coordinators key strategies to ensure they are on a career path versus a static position in Graduate Medical Education. In addition, it will provide methods to enhance their leadership opportunities, professional growth, and advancement, including an overview of available APPD task forces. There will also be time left for any "late breaking" questions!

Joint PD/APD Session

Augusta ABCD

Facilitators: Eyal Ben-Isaac, MD, Program Director, Children's Hospital of Los Angeles; Sara Multerer, MD, Associate Program Director, University of Louisville

1:00-2:00pm

Meet the Professor - APPD Mentoring Session for Program Directors and Associate Program Directors
APPD Mentorship Committee of the Faculty and Professional Development Task Force -- Megan Aylor (Co-Chair), Maria Cruz (Co-Chair), Aditee Narayan, Nancy Spector, Kimberly Gifford, Courtney Judd, Theodore Sectish, and Teri Turner
Participants will join faculty experts to receive guidance on topics specific to their role as educators and program leaders. Topics include: skills development in education research, curriculum, assessment, learning technology, quality improvement, program management, work/life balance and others. Grab your boxed lunch and enjoy the company of wonderful APPD colleagues. Open to all Associate Program Directors and Program Directors.

**Fellowship Directors’ Session**

### Augusta GH

#### 1:00-4:00pm

This session will include two components. The first half of the session will be a moderated grass roots forum specifically for subspecialty fellowship directors to discuss a variety of current trends in fellowship education. There will be a short presentation of FTE recommendations for PDs from the FPD Executive Committee and some preliminary results from the EPA study. There will be open discussion regarding the current status of curriculum development for EPAs across subspecialties, CCCs and Milestone reporting. Representatives from the American Board of Pediatrics, CoPS, and the ACGME will be present to engage in dialogue related to these and other topics. Following the Grass Roots, we will have a panel discussion regarding best practices for recruitment including how best to handle the weak internal candidate and how to advise candidates about other programs within a subspecialty when you may have little actual knowledge of the program. Helpful tips on reading and writing letters of recommendation will be shared. Your active participation and sharing of possible solutions is important and will be facilitated by the APPD Fellowship Directors Executive Committee: Geoffrey Fleming, MD, Vanderbilt University; Bruce Herman, MD, University of Utah; Katherine Mason, MD, Rainbow Babies & Children’s Hospital; Kathleen McGann, MD, Duke University Medical Center; Angela Myers MD, MPH, Children’s Mercy Hospital; Pnina Weiss, MD, Yale University School of Medicine; Carol Carraccio, MD, Vice President, Competency-based Assessment, American Board of Pediatrics; Caroline Fischer, MBA, Executive Director, Accreditation Standards, ACGME Review Committee; Rob Spicer, MD, Chair and Richard Mink, MD, MACM, Immediate Past Chair, Council of Pediatric Subspecialties.

### 4:30-5:15pm

**The ACGME Self-Study: Early Lessons Learned**  <PD, APD, FPD, PC, FC, OKP>

**Peachtree Ballroom**

*Facilitator: John Frohna, MD, MPH, Program Director / Vice Chair of Education, University of Wisconsin*

The APPD Self-Study Collaborative is a group of programs from around the country who have been working together to share ideas about the self-study process. A few programs have also gone through the ACGME’s Pilot Self-Study visit. In this session, we will share some of the early lessons learned about how to prepare your program for the self-study, what types of data to collect, how to analyze the results of the self-study, and how to track ongoing program improvements.

### 5:30-6:30pm

**Networking Reception**

**8th Level Terrace**
7:00 am  Registration Opens  
8th Level Terrace

7:30-8:00am  Continental Breakfast  
8th Level Terrace

8:00-11:00am  Optimizing Milestones and Getting to EPAs  
Peachtree Ballroom

Betty Staples, MD, Pediatric Residency Program Director, Duke University Medical Center; Katy Bartlett, MD, Associate Program Director, Duke University Medical Center; Teresa Flourney, MBA, C-TAGME, Fellowship Coordinator, Children's Mercy Hospital; Kathleen McGann, MD, Vice Chair of Education, Duke University Medical Center; Daniel Schumacher, MD MEd, Associate Program Director, Cincinnati Children's Hospital Medical Center

In Graduate Medical Education the next milestone in assessment is Entrustable Professional Activities (EPAs). This high yield session will start off with a presentation on EPAs followed by a Q&A session with Dr. Carol Carraccio, Vice President Competency Based Assessment for the American Board of Pediatrics. Subsequently, we will have the opportunity to hear from Dr. Laura Edgar, Director for Milestones Development for the ACGME, who will also present on the milestone data that the ACGME has obtained, analysis of this data, and future directions for use. The session concludes with best practice presentations focused on unique applications of milestones and emerging applications of EPAs. Attendees will leave with a broad array of uses for milestones and an introduction to the application of EPAs.

Milestones / EPA Presentations:
- Children's Hospital at Dartmouth-Hitchcock Pediatric Residency Iterative Clinical Competence Assessment System, Kimberly Gifford, MD, Jalen Benson, MD, Julie Kim, MD, PhD, Dartmouth-Hitchcock Medical Center
- Using the Pediatric Subspecialty EPAs to Enhance the ACGME 10-Year Program Self-Study, Richard Mink, MD, MACM and Tom Kallay, MD, Harbor-UCLA Medical Center
- Assessment of Entrustable Professional Activities in Pediatric Gastroenterology, Hepatology and Nutrition Fellowship—A Pilot Project, Jacob Robson, MD, MAS, Primary Children's Hospital, University of Utah; Toba Weinstein, MD, Cohen Children's Medical Center, Hofstra North Shore-LIJ School of Medicine, Cary Sauer, MD, MSCR, Children's Hospital of Atlanta, Emory University

11:00am-12:00pm  Break/Lunch on Your Own

12:00-1:00pm  Lessons from ACGME CLER  
Peachtree Ballroom

Kevin Weiss, MD, the ACGME Senior Vice President of Institutional Accreditation, will share what has been learned from the first wave of CLER visits.

APPD registrants are welcome to attend this special presentation which is part of the PEEAC Conference. Those planning to leave at the end of this session (1pm) should please sit near an exit in order to not disrupt the PEEAC conference as it continues in that room.

APPD 2016 Fall Meeting
Celebrating the 20th Annual
APPD Fall Meeting!
September 22-24, 2016
Renaissance Arlington Capital View
Arlington, VA
Membership
Membership in the APPD is through the accredited core pediatric residency program. The greatest benefits of APPD are in connections, networking and personal relationships. APPD serves you in your personal growth, career development, program improvement, and service to faculty, trainees, and, most importantly, to the children who need medical care. If you are not a member, please contact your residency program director or coordinator and ask to be included!

Task Forces
The APPD has five main task forces which focus on Assessment, Curriculum, Faculty and Professional Development, Learning Technology, and Research and Scholarship. APPD members are welcome to join a task force - there is no additional fee, requirement, or specific skill needed. Join a task force during the APPD Annual Spring Meeting, or contact one of the leaders for ongoing activities between meetings to get involved.

Regions
In addition to the national organization, pediatric programs in APPD are divided into regions. These regional groups have leadership opportunities, meetings and activities which are a vital part of the APPD.

Pediatric Education Groups (PEGs)
New focus groups have been added within APPD and would welcome your interest and involvement. Currently, there are four APPD Pediatric Education Groups (PEGs) including Pediatric Global Health Educators PEG, LGBTQ+ PEG, Healthcare Simulation in Pediatrics PEG, and Under Represented Minorities in Pediatric GME PEG. Contact the APPD office for more information (info@appd.org).

Insurance
APPD cannot accept responsibility for personal losses, accidents, or damages to participants and/or accompanying persons. Participants are therefore strongly advised to obtain personal insurance to cover any eventuality that may occur during the Conference.

APPD Photo Release
By registering for this APPD Meeting, attendees consent to be photographed during the course of the meeting, with the understanding that these images will be used in APPD documents and publications only. If anyone prefers to not have their photo used by APPD, please contact info@appd.org. We also request that you notify the photographer at the time a photo is being taken in which you may be included.

Luggage Storage on Friday and Saturday
As a courtesy to those who will be checking out of their hotel room on Friday or Saturday mornings, we have set aside Peachtree B (8th level) from 7:00am-5:00pm where you may leave your luggage. Please note that luggage will be left at your own risk. APPD cannot assume responsibility for your belongings.

Information for Breast-Feeding Moms
If you need a private area to pump during the meeting and do not have a hotel room (or time to go there), the hotel has made a small meeting room, Savannah E (10th level), available for this purpose.
