PEDIATRIC EDUCATION GROUPS (PEGS)
APPD LGBTQA
Pediatric Education Group

Co-Leaders: Brian Lurie and Michelle Brooks

- **Members:** 41

- **Goals:**
  1. Promoting safe work environments for LGBTQ residents and applicants
  2. Promoting inclusive recruitment/selection approaches
  3. Improving understanding of current work environment for LGBTQ residents
  4. Liaising with other professional organizations with same goals
  5. Promoting curriculum development to address health care disparities for LGBTQ youth

- **Work Groups:**
  1. **Curriculum** - Brian Lurie - The LGBTQA PEG is currently in collaboration with the APPD Curriculum Task Force to work on a needs assessment to identify current curriculum and training in LGBTQ health, and develop a curriculum.
  2. **Advocacy** - Beth Payne - We are developing a set of goals focusing on promoting a safe and inclusive work environment for LGBTQ residents and staff.
  3. **Recruitment** - Glen Rosenbluth - The Recruitment workgroup is focused on developing a “Welcome Kit” for programs to use during recruitment season.

For more information, contact the co-leaders: Brian Lurie (Brian.Lurie@atlantichealth.org) or Michelle Brooks (mbrooks@stanfordchildrens.org)
Global Health PEG Steering Committee Priorities (2015-16)

Co-Leaders: Mike Pitt and Nicole St. Clair

Goal 1: Disseminate Resources

- Establish and disseminate best practices for preparation for global child health electives
- Maintain and disseminate starter resources for pediatric global health training programs
- Optimize the APPD GH PEG website (appdgh.wordpress.com)
- Host an annual Global Health Educator Abstract & Poster Symposium to promote scholarly collaboration among members

Goal 2: Maintain a Pulse Check on GH Education

- Maintain annual updates to the Global Health Educators Database
- Improve coordination across residency global health elective sites
- Propose core components for a pediatric residency global health track (expert consensus guidelines)
- Develop a Global Health Educator Award

APPD GH PEG Co-Leaders:
Mike Pitt, mbpitt@umn.edu
Nicole St. Clair, nstclair@mcw.edu
Healthcare Simulation in Pediatrics

Co-Leaders: Sharon Calaman, MD and Joe Lopreiato, MD

What we do:
- Explore, disseminate and share simulation methods for teaching and assessment

Who we are:
- People interested in simulation who also understand resident educational needs

How we do it:
- Member presentations, collaboration on projects, mentorship for simulation experience

Look for announcements for planning calls for the spring meeting!
Overall Goals:

- Describe the state of underrepresented minorities (URM) in pediatric graduate medical education
- Describe the relevance of a lack of diversity within the pediatric workforce
- Develop an increased understanding of the challenges of recruitment and mentorship of URM house staff
- Define a framework for mentorship and support of URM within pediatric training programs
- Design tools for program directors to support diversity at their programs
- Underline the need for pediatric graduate medical education around health care equity
- Catalog pediatric specific curricula that address:
  - Health care disparities
  - Cultural competency

Progress Report:

- The PEG was formed during the 2015 Spring Conference
- March 2015 – Initial PEG meeting was well attended. We discussed and solidified PEG goals.
- July 17, 2015 – Conference call was held. The group decided to move forward with 2 projects:
  - Pediatric Program Directors Survey
  - URM Pediatric Resident Exit Survey
- Also planned for the Fall 2015 meeting sessions (PEG update to general body, PEG meeting, and Silent Curriculum optional session)

Goals for 2015-16:

- Pediatric Program Directors survey regarding diversity efforts
- URM Pediatric Resident Exit Survey
- Dissemination of information to the APPD membership regarding diversity efforts. (Dissemination beyond that group would be ideal)
- Silent Curriculum Optional Session at Fall APPD Conference – Discussion of JAMA commentary
- Will re-submit Diversity Workshop presented at 2015 Spring Conference for APPD Spring Conference 2016
- Will submit Diversity Workshop 2015 for PAS 2016
