Technology Reviews

The screenshot shows a Microsoft Word document titled "TechTips for Share Warehouse...". The ribbon includes tabs for Home, Insert, Design, Layout, References, Mailings, Review, and View. The Home tab is active, showing font settings (Cambria (Body), 18) and paragraph settings. The document content is as follows:

#TechTips

Brought to you by the Learning Technology Task Force.

Use this form to submit a technology tip or trick. Review your favorite app or program, or share a new trick for use of a well-established technology.

Any member of APPD is welcome to use this form as a way to standardize submissions to Share Warehouse and create a repository of tips.

In Share Warehouse, choose the program administration category (or other category if appropriate) and tag your submission with #techtips, LTF and the title of the technology.

Delete the portion of this form that is in italics when you submit your tip.
