WRAP-UP

APPD Forum for Chief Residents
April 5, 2017

Jennifer Diep, MD
Kendra Elwood, MD
Jennifer Ezirike, MD
David Gonzalez-Villamizar, MD
Adam Kasper, MD
Grant Morris, MD
Ross Myers, MD
Mediating Conflict

• Between residents

• Between residents and faculty
Mediating Conflict

• Between a resident and yourself/co-chief
• Between yourself and faculty
• Between yourself and your PD/chair
Scheduling

- Factors to consider in order to prioritize requests
- Sudden schedule changes that impact other residents
Scheduling

- Managing inappropriate requests
Chiefs as Teachers

- New role of attending and preceptor
- Being expected to “know it all”
- Engaging learners
Resident Education

- Chief rounds/chief conferences
- Balancing with other didactic/education sessions
- Changing your conference/didactic sessions/structure
Resident Education

- Evaluations by residents
Professional Development

- Prioritizing your own professional goals
- Finding time
- Working with your PD and co-chief
Work-Life Balance

- Protecting free time
- Balancing with your co-chief
- Maintaining friendships with residents
THANK YOU!!
