Dena Hofkosh, MD, University Health Center of Pittsburgh; Robert McGregor, MD, St. Christopher's Hospital for Children; Joel Forman, MD, Mount Sinai School of Medicine
The (Special Interest Group) SIG is a key forum during the APPD meeting to allow Program Directors to brainstorm and prioritize issues to discuss. This year the SIG will generate discussion about topics that are most on the minds of Program Directors. By positioning the SIG prior to the plenary session and allowing time for Q&A following the plenary, we hope to provide plenary speakers a list of specific questions to discuss for all APPD attendees.
