Sixth Annual Pediatric Medical Student Research Forum

The University of Florida Department of Pediatrics, the Florida Chapter of the American Academy of Pediatrics, Boston Children's Hospital, the National Institute of Child Health and Human Development (NICHD) and the Society for Pediatric Research (SPR) are proud to sponsor the 2019 Pediatric Medical Student Research Forum.

This is an exciting opportunity to share your research with your peers. The meeting is open to all medical students and will take place in conjunction with the Annual Conference of the Florida Chapter of the American Academy of Pediatrics.

Submit your work for platform and poster presentations on basic science and translational or clinical research. An internationally renowned pediatric scientist is featured as the keynote speaker.

We look forward to learning about your important discoveries!

Please join us!

Disney's Yacht Club Resort
