

## **Pediatric Gastroenterologist Stead Family Department of Pediatrics**

The Stead Family Department of Pediatrics seeks a Gastroenterologist at the rank of Associate (non track), Assistant Professor, Associate Professor or Professor (tenure or non-tenure track). The individual selected will join the Division of Pediatric Gastroenterology, Hepatology, Pancreatology and Nutrition to provide patient care, teaching, and consultative services primarily at the University of Iowa Stead Family Children's Hospital, as well as at established satellite clinics across the State of Iowa. The Division has 8 other faculty engaged in clinical and basic science research, teaching and a full range of clinical activities, a well-established ACGME-accredited fellowship program, a strong collaboration with Pediatric Surgery, Pediatric Radiology, Pediatric Anesthesia and a variety of other ancillary services.

### **Requirements:**

Must hold an MD/DO degree, or equivalent  
Board certified or eligible in Pediatrics, or equivalent  
Board certified or eligible in Pediatric Gastroenterology or equivalent  
License or eligible for licensure in the State of Iowa

### **Desirable qualifications:**

Clinical experience in pediatric gastroenterology  
Experience in patient-oriented research  
Teaching competence in pediatrics for medical students and residents  
Evidence of scholarly activity  
Strong oral and written communication and interpersonal skills

The University of Iowa Carver College of Medicine is one of the top biomedical research institutions in the nation and ranked 42nd overall and 20th among public medical schools for NIH funding in FY16. The U.S. News and World Report research ranking places the College 12th among public institutions for FY2016, and the Stead Family Department of Pediatrics ranked 22<sup>nd</sup> overall and 11th in NIH funding among all public pediatric departments nationwide in FY16. The ACGME-accredited pediatric residency program at the Children's Hospital trains 47 pediatric residents.

The Stead Family Department of Pediatrics comprises the medical and research staff of UI Stead Family Children's Hospital. University of Iowa Stead Family Children's Hospital is one of the nation's top-ranked pediatric care and research institutions. It is the only university-affiliated hospital in Iowa devoted solely to the care of infants, children, adolescents and young adults, and is Iowa's only accredited Level 1 Regional Resource Pediatric Trauma Center. University of Iowa Stead Family Children's Hospital is the only hospital in Iowa to be nationally ranked by *U.S. News and World Report* for children's care. A new 189-bed children's hospital opened in February 2017, and a newly renovated outpatient clinic opened in August 2017.

University of Iowa Stead Family Children's Hospital is Iowa's only nationally ranked children's hospital. It is part of University of Iowa Health Care, Iowa's only academic medical center and one of the nation's best health care employers, according to *Forbes* magazine. Iowa City is a diverse community with excellent public schools, affordable living, abundant outdoor activities, Big Ten sports, and numerous arts and literary events.
