

**Medical Geneticist
Stead Family Department of Pediatrics**

The University of Iowa Stead Family Department of Pediatrics seeks a Medical Geneticist at the rank of Associate (non track), Assistant Professor, Associate Professor or Professor (tenure or non-tenure/clinical track). The individual selected will join the Division of Medical Genetics and Genomics to provide patient care, teaching, and consultative services as an attending physician in medical genetics clinics and on the genetics consultation service.

Requirements:

Must hold an MD/DO degree, or equivalent
Board certified or eligible in Pediatrics or Internal Medicine, or equivalent
Board certified or eligible in clinical genetics, or equivalent
License or eligible for licensure in the State of Iowa
Tenure track candidates require evidence of scholarly activity

Desirable qualifications:

Board certified or eligible in biochemical genetics
Clinical experience in pediatric medical genetics
Demonstrated ability to develop and implement new programs
Experience in patient-oriented research
Teaching competence in pediatrics for medical students and residents
Evidence of scholarly activity
Strong oral and written communication and interpersonal skills

The University of Iowa Carver College of Medicine is one of the top biomedical research institutions in the nation and ranked 42nd overall and 20th among public medical schools for NIH funding in FY17. The U.S. News and World Report research ranking places the College 13th among public institutions for 2018, and the Stead Family Department of Pediatrics ranked 27th overall and 13th in NIH funding among all public pediatric departments nationwide in FY17. The ACGME-accredited pediatric residency program at the Children's Hospital trains 47 pediatric residents.

The Stead Family Department of Pediatrics comprises the medical and research staff of University of Iowa Stead Family Children's Hospital, one of the nation's top-ranked pediatric care and research institutions. It is the only university-affiliated hospital in Iowa devoted solely to the care of infants, children, adolescents and young adults, and is Iowa's only accredited Level 1 Regional Resource Pediatric Trauma Center. In 2018-19 University of Iowa Stead Family Children's Hospital ranked in four pediatric specialties in the Best Children's Hospitals U.S. News and World Report, including cancer, neonatology, nephrology, and orthopedics, and is the only hospital in Iowa to be nationally ranked by *U.S. News and World Report* for children's care. A new 190-bed children's hospital opened in February 2017.
