

# APPD Fellowship Program Leaders

## Hello Fellowship Program Leaders

Spring is here. As we wave good-bye to winter, we want to highlight activities and resources at APPD and beyond. We love to hear from fellowship program leaders. Please contact us for questions, needs, suggestions. We are always looking out for great ideas or volunteer presenters for Virtual Café topics that will enrich the fellowship leader community. Hope to see many of you in person in San Diego in May.

## Pediatric Subspecialty Fellowship Recruitment

The recruitment task force wants to hear from all stakeholders, including **you**, as it considers in-person vs virtual recruitment for next cycle. Join the virtual café on April 8 to share your perspective and any insights from your fellows. Reach out to task force members Jenny Duncan and Hayley Gans to share your thoughts if you are unable attend the session on April 8.

## APPD Elections

Don't forget to cast your vote for APPD leadership positions by **April 6**. Each subspecialty fellowship PD may vote for the Fellowship Executive Committee Chair Elect and At-Large member positions.
