

APPD Coordinator Executive Committee History

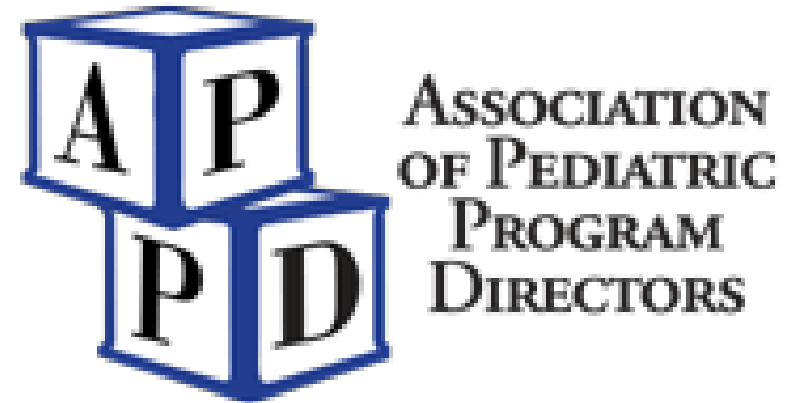

ASSOCIATION
OF PEDIATRIC
PROGRAM
DIRECTORS

Coordinator 15 and Overview

- 1993
 - 20 coordinators attended and found success in networking at a privately run conference
- 1996
 - The logo for the APPD was just being developed, New RRC requirements were being readied for implementation and Dr. Carol Berkowitz was President of APPD.
 - Dr. Berkowitz suggested the PC's be given their own section and the "Coordinator 15" became the first Coordinator Steering Committee and the originators of our APPD Coordinator Section.
- 1997
 - Presentation by Ms. Jeri Whitten to Program Directors at Spring meeting in Washington DC on the merits of having coordinators as section members of APPD and the value of learning the same information alongside the program directors. The PD's greatly supported the idea.
 - Coordinators' Executive Committee structure is finalized
 - First "Coordinators' Corner" appeared in APPD Newsletter.
