

APPD Fellowship Program Leaders

SUMMER 2022

Hello Fellowship Program Leaders

A new academic year is here with all the bittersweet moments of saying good-bye to graduates and welcoming in new fellows. Here are some highlights of news and upcoming APPD activities relevant to our Pediatrics fellowships community.

Pediatric Subspecialty Fellowship Recruitment

[APPD/CoPS/AMSPDC letter on fellowship recruitment](#)

APPD/CoPS informational sessions for recruitment:

For Pediatric Subspecialty fellowship applicants:

- July 11 7pm ET Virtual Café: “*Virtual reality of applying to Pediatric Subspecialties for the 2022 Season*”
 - A panel of fellowship program leaders and fellows will discuss and answer questions about virtual interviews
- Webinars for applicants to meet program leaders in specific subspecialties. Programs interested in participating can sign-up: [Recruitment Webinars](#)
 - July 13: Nephro, ID
 - July 14: Pulm, DBP, Child Abuse
 - July 20: Endo, Heme/Onc, Rheum
 - July 21: Critical Care, Adolescent, GI
 - All are scheduled for 8-9:30 pm ET

For Pediatric Subspecialty program leaders:

- July 19 7pm ET Virtual Café on best practices for virtual recruitment.
