

Membership Benefits

The APPD is a vibrant organization with more than 4,400 individual members from over 200 residency programs and 800 associated fellowship programs. APPD is driven by our Mission & Vision: To serve pediatric programs by leading the advancement of education to ensure the health and well-being of children – providing exemplary pediatric education. As an APPD member, you have access to many leadership opportunities and benefits which are outlined below.

Involvement in the National work of the APPD

As the educational organization that represents you and your program, we welcome your input on a variety of topics throughout the year. We are here to work for you and provide you and your program with information, guidance and mentorship. In particular, we provide the following to each member program:

- Representation before national affiliates and regulatory organizations
- Access to resources in the Members Only areas of the APPD.org website.
- Opportunity to provide input toward formulation of the APPD official positions to medical education related issues through participation in surveys, meetings, discussion boards, and other forums.

Benefits designed to support your work as an Educational Leader in your Program
