Introduction

The Coordinators' Section of APPD is established as an educational resource to foster the exchange of ideas and information for persons in the position of pediatric program coordinator. Our goal is to enhance Graduate Medical Education (GME) within each program and promote communication among coordinators, program directors, and the APPD membership.

Diversity, Equity, and Inclusion

The Association of Pediatric Program Directors (APPD) is pleased to announce that it has received the **2023 ACGME Barbara Ross-Lee, DO Diversity, Equity, and Inclusion Award**.

APPD has developed several initiatives and programs that foster DEI and Anti-Racism:

- APPD LGBTQA+ Learning Community
- APPD Underrepresented in Medicine in Pediatric Graduate Medical Education Learning Community
- APPD Confronting Racism Action Team (CRAT)

Connecting and Learning

Virtual Cafés

Journal Club

CoorCOMM - Communication Workgroup

Just Ask:

How do I get the most out of the conference sessions that are not geared towards “**Just Coordinators**”?

How do I join a Learning Community?

What type of training opportunities are available if my institution does not offer any professional development?

How do you keep track of conference attendance?

Open the floor for questions. What do **YOU** need help with?

Thank you Group Picture
