APPD LEGACY Program for Rising Chief Residents (*additional fee required*)

APPD is pleased to offer the *2nd Annual APPD LEGACY program*, a curriculum designed around the unique professional development needs of rising Pediatric Chief Residents. Programing kicks off on Monday, April 15 with a full-day, dynamic leadership curricular retreat, where experts in pediatric medical education will inspire your rising Pediatric Chief Residents to succeed as prepared, driven and forward-thinking leaders in your programs. Incorporating concepts in leadership styles, professional development, emotional intelligence, and conflict resolution, Chief Residents will hear from nationally-renowned faculty and interact with peers to create a clear strategy for their Chief year – and beyond. Programming on the second day, Tuesday, April 16, will feature participation in the APPD Forum for Chief Residents.
