Cardiac transplant

Renal transplant

Bone Marrow transplant

The Program

We strive to develop remarkable physicians, skilled educators, and confident researchers by providing a robust foundation in didactics, procedural skills, clinical acumen, interdisciplinary team management, teaching, and mentoring.

The Hospital

A standalone children's hospital sponsoring 3 residency programs and 12 fellowship programs.

The Area

Louisville is a great city in which to live! We have a nationally accredited parks system, the nation's largest municipal forest, the Kentucky Derby, University of Louisville Cardinals, Lou City FC, Kentucky Center, and KFC Yum! Center

University at Buffalo

Pediatric Critical Care Medicine

- ACGME-accredited, 2 fellows per year (*and 1 Niagara Falls*)
- 20-bed PICU (*sole free-standing, children's hospital in Western NY*)
- 6 full-time faculty (*award-winning teachers, grant-funded researchers*)
- Support with “negative-pressure ventilation” [*a thing!*] thru “ECMO”
- Treat Level 1 trauma cases
- 24-hour, in-house attending coverage bolsters ATC clinical growth

Want to know more?

University of Colorado Pediatric Critical Care Medicine Fellowship Program

Program Mission: To train the future leaders of pediatric critical care, who will provide compassionate and high-quality care and contribute to the advancement of critical care medicine.

Our Program Aims To...

Develop Excellent Critical Care Physicians

- 18 months of clinical training including CICU, anesthesia and pulmonary
- 32 -48 bed PICU at quaternary pediatric center with 7-state referral region
- Interprofessional team environment with pediatric health professional

Promote Academic Formation through Scholarship and Teaching

- Excellent opportunities for scholarly pursuits based on fellow career path, with strong research mentorship
- Strong emphasis on engagement in education, teaching and unit- and institutional QI work

Promote Longevity and Resilience in the Practice of Critical Care

- Provide personal and group mental health support
- Multi-disciplinary wellness groups to promote social connection
- Faculty and peer mentorship/advising

Foster an Inclusive Learning Environment and Diverse Team

- Holistic review & equitable recruitment process
- Team-based DHEI education and efforts

OUR FELLOWS

OUR PROGRAM

- 2-3 Fellows Per Year (8 Total Fellows)
- 14 Faculty Members
- 24 Bed Multidisciplinary ICU
 - 1 Cardiac ICU Team
 - 1 PICU Team
- Largest Safety-Net Hospital in Florida
- Support the Ryder Trauma Center
- Support the Miami Transport Institute
- Support for the Bone Marrow Transplant Program
- VA and VV ECMO, VAD, CRRT, Plasma Exchange, HFOV

CURRICULUM

- Monthly M&M Meetings
- Monthly Journal Club
- Monthly Case Presentation
- Monthly Sim Lab
- Weekly Fellow Lecture
- AAP Pedialink Prep Access

RESEARCH

- Florida's #1 NIH Research Funded Medical School
- Protected Time for Fellows' Research
- Variety of Opportunities for Basic, Translational or Clinical Research & Quality Improvement Projects Including Local and National Collaborations
- Faculty interest in CNS Injury Biomarkers, Liver and Multi-visceral transplant outcomes, Spinal Cord Injury, Models for Chronic Rejection
- Opportunities for Presentations at National Conferences & Meetings

Cincinnati Children's Hospital Medical Center Critical Care Medicine Fellowship

Primary children's hospital for Southern Ohio, Northern Kentucky, and Eastern Indiana

Quaternary national and international referral center

Full range of pediatric critical care spanning:

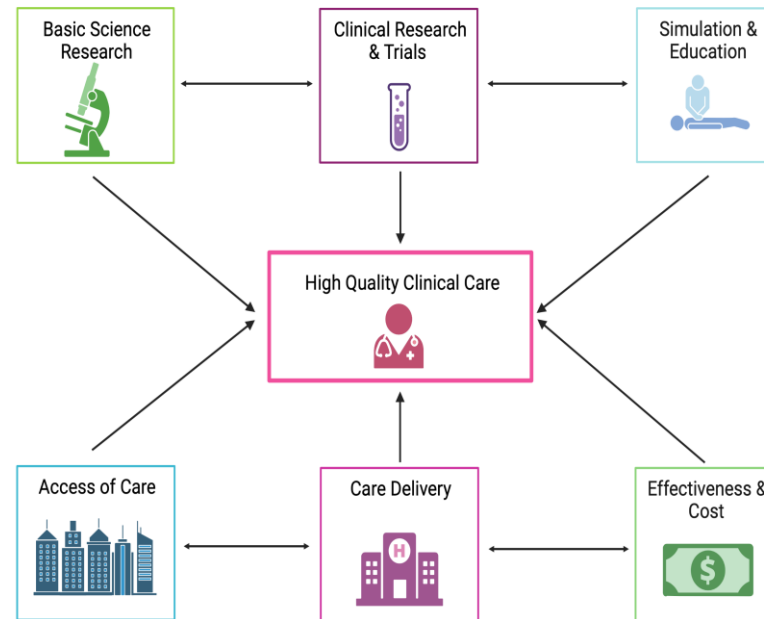

- Medical disorders, bone marrow & solid organ transplant (kidney, liver, bowel, pancreas, heart lung)
- Trauma, complex airway and craniofacial reconstructions, cardiothoracic, and neurosurgery
- All renal replacement therapies, MARS, ECMO, and many other services

Academic opportunities span the continuum of critical care research

- Basic Science/Translational Research
- Clinical/Translational Research
- Simulation and Education Research
- High Quality Clinical Care Research
- Advocacy/Community-based Participatory Research
- Health Equity Research

Other Scholarly Opportunities Include:

- Master's Degree in Education
- Master of Science in Clinical Research
- The Quality Scholars Program (QI)
- Master's Degree in Public Health
- Advanced Resuscitation Simulation Curriculum

15 Accredited
Fellows
(5 per class)

Children's
of Alabama

UAB PEDIATRIC CRITICAL CARE MEDICINE

Highlights

Program

- Alabama's only fully accredited comprehensive pediatric critical care fellowship
- Only level 1 pediatric trauma center and only ECMO center in Alabama
- 100% ABP board pass rate over 12 years
- Exciting research opportunities include: simulation, translational sepsis based research, social determinants of health, global health, and more

Culture

- 17 board certified faculty members of diverse training, research, and cultural backgrounds
- Subspecialty Training Experience in Pediatrics (STEP): opportunity for visiting URiM residents

Birmingham Metro Highlights

- Diverse University Campus
- Phenomenal food and music scene
- Few short hours from the beautiful Gulf Coast

Regionally Ranked Hospital

- #1 in Alabama
- #1 in Southeast

Ranked in all 10 Pediatric
Specialties by U.S. News and
world report.

Fellowship

The UAB Pediatric Critical Care Fellowship is a fully accredited three-year program that combines research and clinical experiences to prepare our trainees to become excellent intensivists who are ready to become successful in the academic setting. The 36-month curriculum includes 16 months clinical service, 20 months protected research time, and nine weeks of vacation. All fellows are credentialed in Deep Sedation by the end of the first year of training. Clinical Services are housed in the Children's of Alabama Hospital, a 750,000 square foot, facility on the UAB health system's downtown Birmingham campus.

PICU Fellows rotate through both the Pediatric ICU as well as the Cardiac ICU

- 9 months spent in PICU, 4 months spent in CVICU
- 24-bed multispecialty, combined medical surgical PICU
- 20-bed combined cardiac medical/surgical CVICU
- Approximately 2,000 PICU admissions per year
- Approximately 250 cases of congenital heart disease that require cardiopulmonary bypass each year
- Trainees are exposed to the care of neonates and infants with very complex heart defects including extracorporeal membrane oxygenation and mechanical assist devices

Other elective rotations: Critical Care Transport, Burn, Adult Critical Care, Anesthesia, Pulmonary, Palliative Care, Cardiology/Cath lab services, Community PICU.

PCCM Fellowship Program

at Nationwide
Children's
Hospital

The Basics:

- 4 fellows per year
- 19 clinical months, 15 research months and 2 elective months
- High volume, high acuity clinical experience:
 - 54 PICU beds; 20 CTICU beds; 3,000 admissions/year
 - Level 1 trauma and burn center, ECMO, CRRT
 - Bone marrow and solid organ transplant

Program Highlights:

- Dedicated PCCM fellow research curriculum
- Focused training in procedural sedation, ECMO, POCUS
- State-of-the-art Simulation Center
- Programmatic and financial support for Master's degrees
- Global Health Research & Mentorship
- Critical Care Health Equity Team and education
- Access to free mental health support

Columbus, Ohio is a great place to live!

- 14th most populous U.S. city; diverse population; reasonable cost of living
- Centrally located with easy commutes to Chicago, NYC, D.C, Nashville, and more
- College and Pro sports, fantastic Metro Parks system, great music, theatre, and food!

CLINICAL HIGHLIGHTS

- Only pediatric trauma and quaternary care center for 5 states
- 28-bed PICU
- 18-bed CICU
- Full range of technologies
- Balanced spectrum of pathologies from the most common to the most complex within a single unit
- Graduated autonomy and clinical schedule spread over three years
- 12-hour clinical shifts in week-long blocks with no 24-hour coverage

SCHOLARLY HIGHLIGHTS

- Tailored scholarly program to meet each fellows' interest and goals
- Home of NIH-funded national data coordinating center for CPCCRN and other multi-institutional research
- Broad scholarly expertise from the bench to large clinical trial design
- Opportunities for additional training in clinical research, informatics and education

BEING A PICU FELLOW IS HARD. WE DO IT DIFFERENTLY IN UTAH.

- Our goal is the right balance between academic rigor and personal wellness
- Our graduates are ready to be outstanding clinicians and experts in their academic area of interest
- Our hospital is steps from world-class mountains and outdoor activities

The People

- 9 fellows
- 12 faculty
- 15 NPs

The Place

- #1 Children's Hospital in Michigan with 50 ICU Beds
 - 30 bed PICU
 - > 1500 admissions/year
 - > 500 traumas/year
 - 20 bed Pediatric Cardiac ICU
 - > 400 bypass cases/year
- Pediatric Burn Center within the PICU
- Active Heart, Liver, Kidney Transplant Center
- World-renowned 3D Airway Split program to treat airway malacia
- Ann Arbor is a top 5 city to live in US
- Vibrant, diverse college town within 30 minutes of an international airport
- 92% of Ann Arbor residents live within a 10 minute walk to a park

The Program

- Adjustable curriculum tailored to fellows' individual and unique needs
- 19 clinical blocks
 - 14.5 blocks PICU
 - 3.5 blocks PCTU
 - 1 block anesthesia
- Night Float System
- Dedicated, Specialized Curriculums in:
 - Quality Improvement
 - ECMO
 - POCUS
 - Research & Professional Development
- Research mentorship from experts in:
 - Acute lung injury
 - ECMO
 - Sepsis
 - Post-arrest care
- Research collaboration across the university including Adult Medicine, Bioengineering, Ethics, and Public Health
- Certificate programs in MedEd, QI, Health Equity at no cost to you
- Dedicated fellow-only debriefs
- Oldest House Officer union in the country

Medical College of Georgia at Augusta University

Children's Hospital of Georgia

Program Highlights:

- Real-time adaptability to fellow feedback
- Good fellow to faculty ratio
- Dedicated US and research curriculum
- Active transport program
- Sedation experience
- Participate in simulation bootcamp

PICU at MCG

- 14 bed PICU /CVICU
- 6 bed intermediate care unit
- ECMO program
- 149 bed children's hospital

People:

- 10 faculty
- 1 fellow per year; 3 total fellows
- Leadership:
 - Ashley Freeman—PD

 - chwatson@augusta.edu
 - Jennifer VanCise—Program Coordinator
 - jvancise@augusta.edu

PICU fellows

Former fellow, Nicole Fiore, going on critical care transport.

Life in Augusta, Georgia

- Big city feel with small city traffic and cost of living
- Minor league baseball
- Lots of outdoor space—located on the Savannah river
- Proximity to Atlanta, the beach, the mountains
- The Masters every spring
- Excellent regional airport

Children's
HOSPITAL OF GEORGIA
AUGUSTA UNIVERSITY

Pediatric Critical Care at Johns Hopkins

Why Hopkins?

Our fellows use the words “opportunity,” “balance,” “education” and “camaraderie” to describe our fellowship. We ask, “What is your why? What brings you meaning and purpose as an intensivist?” And then we help you reach your goals.

Who we are

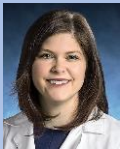

- 15 Fellows
- 29 Faculty (with additional training in cardiology, neuro-critical care, anesthesia, ethics, global health, and palliative care)

The clinical details

- 28-bed PICU, 12-bed PCICU
- Level 1 Trauma and Burn Center
- ECMO Platinum Center of Excellence
- Heart, liver, kidney, BMT Transplant
- Busy Transport Team

Have questions? Ask us!

- Amanda Levin, PD
(alevin32@jh.edu)
- Dennis Delany, APD
(ddelany1@jh.edu)

Who are our patients?

We care for patients from Baltimore, the state of Maryland, southern Pennsylvania, DC, and Northern Virginia, as well children referred nationally and internationally

Life in Baltimore – something for all

Enjoy a beautiful night on the harbor, catch an Orioles game, see a show at the Hippodrome Theater, take your family to the Science Center or Aquarium, spend quiet time at our many parks, join our foodies in all our unique Baltimore neighborhoods, or drive to the beach!

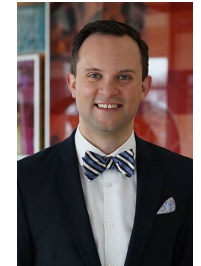

University of Rochester Pediatric Critical Care Fellowship

Clinical Environment

- 28 Bed PICU/PCICU Unit
- 1,500 Patients Each Year
- Level 1 Trauma Center
- Regional Burn Center
- Diverse Patient Population
- Integrated Cardiac Experience
- A National Leader in Improving Quality and Safety

Our Fellows

Mykael Garcia, MD, MS Ed
Program Director

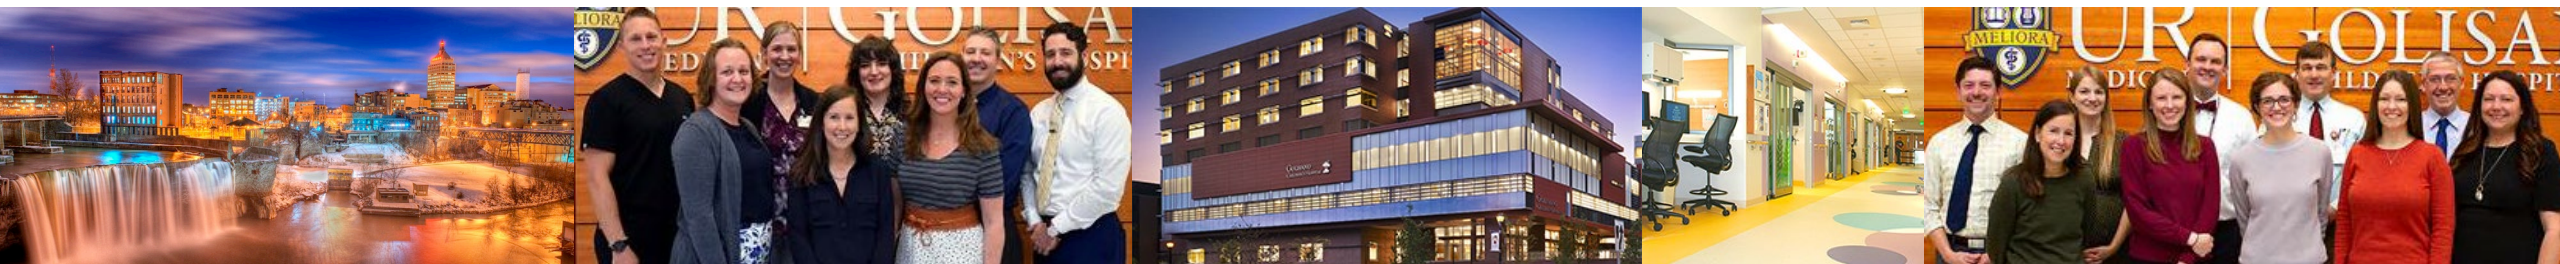

Fellowship

- Individualized Curriculum According to Interest and Career Goals
- Program Size Permits Exceptional Degree of Fellow Involvement in Cases
- Mentorship in a Broad Range of Clinical Interests and Academic Expertise
- Interdisciplinary Research Opportunities
- Advanced Degree – MS.Ed., MPH, MBA - and Certificate Opportunities – Public Health, Clinical Research, Health Services, Ethics
- Focus on Wellness and Work/Life Integration

Geographical Area

- Rochester Named 9th Best Place to Live in US for Quality of Life
- Low Cost of Living and Short Commute Times
- An Array of Cultural, Recreational, Dining, and Leisure Activities
- 4 Distinct Seasons to Enjoy - vibrant fall foliage, beautiful snowy winters, colorful spring blooms, and warm & pleasant summers

Program Specifics

- 28 Bed PICU
- 24 Bed CVICU
- 15 Bed Surgical/ECMO ICU
- 257 Bed Stand Alone Children's Hospital
- Weekly academic half day that includes simulation, didactics, diversity and health equity, and professional development
- Research training curriculum with additional funding available

Program Culture

Our Mission is to be innovative in our educational strategies and individualize your experience to your career goals

Geographic area/Culture

Situated on the Gulf Coast of Florida, our location lends itself to outdoor activities 365 days a year! We have great sports teams, busy music venues, multiple museums and a thriving food scene. Plus, post-call sunsets on the beach are obligatory!

JOHNS HOPKINS ALL CHILDREN'S HOSPITAL

Oklahoma Children's Hospital University of Oklahoma Health Sciences Center

Oklahoma City

- Lots to do: nearby hiking, parks, food scene, movies, concerts, professional basketball (OKC Thunder), college sports (OU/Oklahoma State)
- Live close to campus or commute – traffic is very reasonable
- Low cost of living

- Established in 2022
- 2 fellows annually
- 34-bed PICU/25-bed CICU
- >1500 PICU admissions annually
- >250 CPB cases annually
- Robust training opportunities – work closely with attendings and APPs/hospitalists to develop individualized learning plan

- Level 1 Trauma Center
- Robust subspecialty support (Hem/Onc, GI, Endocrine, Cardiology, Ped Surgery, Ped Neurosurgery and more)
- US News and World Report Top 50 2023-2024 – GI/GI Surgery and Cardiology/Heart Surgery
- Exposure to ECMO, CRRT, US-guided procedures, bronchoscopy, etc.

@luriecritcare

Mission:

- To train continually curious, clinically and academically complete pediatric intensivists who leave fellowship fully prepared to practice independently in the setting of their choice

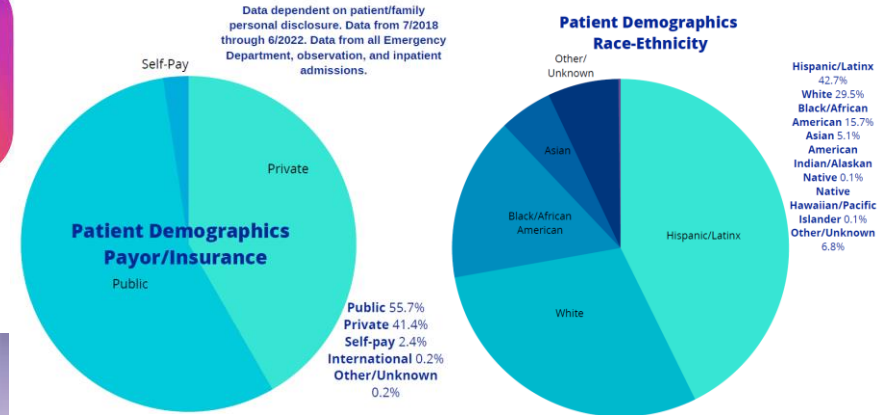

Vision:

- A continually evolving training environment that nurtures and fosters the development of the future leaders of pediatric critical care, with a focus on:
 - Excellence and equity in clinical care
 - Generating new knowledge and innovation
 - Instilling the importance of collaboration, mentorship, education and advocacy

Values:

- Continual improvement and curiosity
- Clinical excellence and safety
- Equity, inclusivity and deliberate bias mitigation
- Multidirectional accountability

University of Virginia Charlottesville, VA

The Basics

- 22-bed combined CICU/PICU (plan to expand to 25-beds in 2024) – two separate rounding teams
- 6 bed intermediate care unit
- 1-2 fellows per year
- 12 PCCM trained faculty
 - 5 dual-trained in Cardiology
 - 1 dual-trained in Palliative Care
- 10 Advanced Practice Providers
- 24/7 in-house attending coverage

Clinical Stats

- 1000 admissions per year
- Enormous catchment area (VA, WV, TN)
- 250 CPB cases per year
- 10-15 heart transplants per year
- #36 USNWR Cardiology/Cardiac Surgery
- ❤️ surgery partnership w/ CHKD & CHoR
- Level 1 Trauma Center
- ECMO/VAD program
- Liver and renal transplant program
- CAR T-cell and HSCT programs
- Home of VA Poison Control Center

Curriculum

- 72 clinical weeks
- 56 weeks ICU
- 8 weeks Sedation
- 4 weeks Anesthesia
- 4 weeks Elective
- Comprehensive education curriculum - didactics, simulation, chapter reviews...
- PALISI Clinical Research Course
- First Year Boot Camp
- CNH POCUS Course
- Open Pediatrics Curriculum

Life in Charlottesville

- College Town (pop. 150,000)
- 2 hours to DC, 1 hour to Richmond
- 20 minutes to the Blue Ridge Mountains
- Outdoor paradise – hiking, biking, running, skiing, kayaking, rock-climbing...
- Vibrant restaurant, arts and music scene
- Dozens of wineries and breweries
- Dog/Kid friendly
- Affordable housing available close to work

Pediatric Critical Care Medicine Fellowship

Clinical Exposure

- Free standing children's hospital
- Large referral center
- 26 Bed PICU/10 Bed IMU/15 Bed CICU
- >50 ECMO Cases/Year
- Sedation Center of Excellence
- Active Transport Service
- Surgical Critical Care Team

Comprehensive Curriculum

- 1st Year Fellow Boot Camp
- ECMO Boot Camp
- PICU 101 Lecture Series
- On-going High-Fidelity Simulations
- Difficult Airway Simulations

Research Opportunities

- Active in PALISI, CPCCRN, ELSO, AHA, SCCM, AAP, SPS
- Trainee Grants for Research
- Clinical and Basic Science Research
- Hospital-wide Fellow Research Curriculum
- Participation in multi-center trials

Professional Development

- Individual Mentorship
- Focus on Wellness
- Culture of Community
- Board Preparation
- Conference Networking

Penn State Hershey Pediatric Critical Care Medicine Fellowship

- Single Fellow Program - each fellow gets a lot of individual attention to their academic and clinical development
- Constant exposure to high acuity cardiac surgical patients
- 18+ 24 beds
- Level 1 trauma center
- Lots of exposure to ECMO and CRRT
- Great quality of life in suburban PA

Waving "Hello!"

University of Iowa Pediatric Critical Care Medicine

Program Mission: To train compassionate pediatric intensivists, develop resilient lifelong learners, and do so in an atmosphere that promotes balance, wellness, and fun.

Outstanding Patient Care

- Quaternary center with wide referral area and full spectrum of technologies
- 28 PICU/CICU beds, 1600+ annual admissions, 14* faculty, 6* fellows

Robust Didactics and Research Curriculum

- Weekly protected Academic Half-Day so fellows can focus on didactics
- Clinical electives, Board Review, Dedicated CHD discussions, Core Curriculum

Make a Hard Job Fun and Rewarding

- "If I could do it over, I would choose this place again because of the supportive, collaborative atmosphere that the faculty have created for fellows." ~ Sam Richey, MD

Live Fully in Iowa City

- Consistently rated as one of the safest, affordable, and enjoyable towns in the U.S.
- Enjoy the facilities, arts, and athletics of a Big Ten university

Our Mission: To prepare fellows, as clinicians and academicians, to deliver the best patient care possible and to become leaders in PCCM

ALL ABOUT THE PEOPLE!

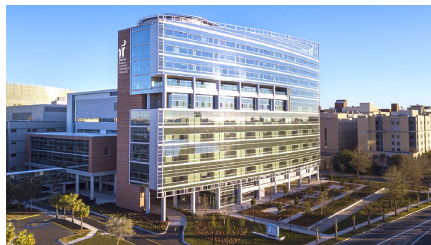

Program Culture

- Work hard, play hard
- 75+-bed PICU with > 4K admissions/yr.
- Diverse, unique contributions of each individual valued
- Broad variety of interests among faculty & fellows

Philly Life:

- 6th largest city in U.S.
- Excellent restaurants (BYOs abound)
- Sports, arts, outdoor activities, largest urban park in the U.S., 75-mile riverside recreational trail
- Close proximity to NYC, Baltimore, DC, Lancaster, Poconos, beach, skiing/ snowboarding, and so much more!

Medical University of South Carolina

Pediatric Critical Care Fellowship Program

Rustin Meister
Program Director

Brian Bridges
Division Chief

The Program

- We are a new program seeking passionate, driven candidates ready to train for the future of critical care
- Comprehensive, expansive clinical and research training
- Excellent opportunities for clinical, translational, and basic science research through the Darby Children's Research Institute (DCRI)
- Built in time during first year to explore and individualize academic interests
- 1 fellow per year
- Clinical training and research time spread throughout all 3 years
- Cardiac ICU training in a growing heart network ranked #4 by US World News

The Division

- We are a growing division with diverse clinical and research experience
- Platinum ELSO Award Center of Excellence for ECMO
- Leading pediatric transplant center in the state for liver, kidney, and heart transplantation
- Broad research interests and activities in national clinical trials, medical education, quality improvement initiatives, ethics, neurocritical care, wellness, and simulation
- 28 bed unit with integrated Pediatric Burn Center
- >1200+ admissions last year
- Award winning educators – winning best rotation amongst the residency for the last 3 years

Our Team

We are a group who focuses on taking excellent care of patients and each other. We support the passions of our colleagues within medicine and beyond. We want our fellows to feel a part of this team and supported like a colleague with mentorship and guidance for future success.

Our City - Charleston

- Awarded #1 city in the US by Travel + Leisure for 11 yrs
- Charming historic architecture and cobblestone streets
- Coastal city with picturesque beaches and waterways
- Vibrant culinary hotspot with multiple James Beard award-winning restaurants
- Beautiful weather with plentiful outdoor activities year-round

The Medical University of South Carolina

- Founded in 1864, MUSC is the oldest medical school in the South and has a rich history of academic excellence.
- MUSC leads the state in biomedical research and is in the top 20% of health science institutions for NIH funding.

Shawn Jenkins Children's Hospital

- Opened in February 2020, is now the leading children's hospital in the state with a growing referral area spreading into surrounding states
- 250 inpatient beds – with ongoing need to expand

Pediatric Critical Care Fellowship

Nurturing holistic excellence in PCCM through rigorous clinical training and personalized professional development.

Overview

- ACGME **accredited**
- **2** fellows per year
- Combined **25 bed** PICU/CICU **closed** unit, staffed separately
- **13 bed** PICU step-down
- Ranked highly in acuity & **complexity**

Cleveland Clinic **Children's**

Curriculum

- **Bootcamp** & ECMO course
- **Protected**, weekly **didactics**
 - *Innovative, flipped* classroom model
- 10,000 sq. ft **Simulation** Center
- **POCUS** curriculum
- PICU, PCICU, Anesthesia, & Trauma rotations
- **Graduated** Autonomy model
- *Cleveland Clinic Children's*:
 - **13,000+** admissions/yr
 - **11,000+** surgeries/yr
 - **1500+** PICU admissions/yr
 - *ECMO, VAD, CRRT & transplant*
- Accredited **Pediatric Residency**
 - 13 Pediatric subspecialty Fellowships

Research & Mentorship

- **11** PICU academic faculty
- Formal faculty mentorship
- Dedicated **Research** time
 - *Clinical, basic-science, QI, informatics, & Med Ed*

Location

- Recognized as *Medical capital*
- Large catchment area
- **Affordable** cost-of-living
- **Centrally located** to airport
- Voted **best** Arts & Food City!
