	Associate Program Directors: <i>In this session, Associate Program Directors will have the opportunity to meet members of the APD Executive Committee, network with the EC and colleagues, and discuss APD-specific development needs. Topics discussed will include those relevant to both new and more experienced APDs, such as navigating the APD role, balancing multiple roles, career advancement, and more. We will utilize large and small groups for discussion, collaboration, and community-building. The session will be led by members of the Associate Program Directors' Executive Committee: Suzie Reed, MD, MAEd, Nationwide Children's Hospital; Sarah Hilgenberg, MD, Stanford Children's/Stanford Pediatrics; Duncan Henry, MD, UCSF; Zarina Norton, MD, University of Michigan; Andria Tatem, MD, Children's Hospital of The Kings Daughters/Eastern VA; Ashlie Tseng, MD, MEd, Children's Hosp of Richmond at VCU.</i>	Salons 5-7
	Categorical Program Directors: <i>This session will focus on preparing for a successful recruitment season and ACGME program requirements. During the first half our session will prepare new PDs with the skills needed to navigate the process smoothly, guidance for conducting holistic review, tips and tricks for using Thalamus, ways of navigating the SOAP, and in-person second looks. The session will also focus understanding the new 2025 ACGME program requirements and provide opportunity for new PDs to identify ways of overcoming program specific challenges in smaller breakout groups including X+Y,</i>	Studio 4

	<i>mental health rotations, ambulatory challenges, and achieving inpatient goals.</i>	
	<p>Coordinators: <i>During this session led by Coordinators' Executive Committee, coordinators will learn to embrace their leadership skills within their programs. This comprehensive workshop will offer coordinators the opportunity to dive into their roles as leaders through a series of engaging and interactive activities. The session will focus on self-advocacy, highlighting strategies to effectively champion your own professional growth and excellence in program coordination. In addition to learning about leadership and self-advocacy, attendees will learn more about APPD and the variety of ways to get involved.</i></p>	Salons 1-3
	<p>Fellowship: <i>Calling all Fellowship Directors and Coordinators! Please join the Fellowship Directors' Executive Committee for a fun and interactive session just for fellowship leadership. We will begin with introductions of our executive committee and a meet and greet for all participants. Next, we will focus on strategies to receive credit for the programmatic work that you are already doing – this portion will combine large- and small- group discussions. We will then transition to facilitated rotating small group discussions on common challenges faced by fellowship programs with a focus on brainstorming potential solutions. Lastly, we will lead a large group wrap up and time for questions. We hope that you will leave the fellowship session having developed lasting networks with fellowship leaders across the country and with specific strategies to improve your programs for the upcoming academic year.</i></p>	Studio B
	<p>Vice Chairs of Education: <i>In this interactive and peer centered session we will discuss the needs, priorities and shared best practices that challenge and motivate the Vice Chairs of Education, including a focus on VCE's who are new to the role. From the work of this session, we will develop future programming and initiatives that reflect and build upon the opportunities and threats to the community of VCE's, to include virtual cafes to continue and increase engagement and support of VCE's.</i></p>	Studio D
