

Program Schedule

Times listed in Eastern Time Zone

Wednesday, September 18, 2024		
Time	Function	Meeting Room
1:00pm	Registration / Check-In Opens (light refreshments / snacks)	Salon 4 Foyer / Reception Area
2:00pm-2:15pm	Opening / Welcome Remarks <i>Megan Aylor, MD; Ross Myers, MD; Linda Waggoner-Fountain, MD, MEd</i>	Salon 4
2:15pm-3:45pm	Plenary Session I <i>Educational Innovation: A Priority for our Pediatric Workforce Crisis</i> <i>Bob Vinci, MD; Laura Degnon, CAE; Becky Blankenburg, MD, MPH</i> In this informative and interactive plenary, leaders of the AMSPDC Workforce Initiative will share an overview of workforce challenges, opportunities, and innovations. Following the overview, participants will engage in brainstorming around innovative models across the continuum of education from premedical education and undergraduate medical education through graduate medical education and ongoing faculty development. Participants will leave with tangible ideas for improving the pathway into pediatrics at their own institutions, as well as identify opportunities for further innovation nationally. Participants will also have opportunities to participate in further efforts of the AMSPDC Workforce Initiative.	Salon 4
3:45pm-4:15pm	Break	
4:15pm-5:15pm	Platform Presentations in Medical Education Scholarship: 1. A Transformative Approach to Holistic Application Review Focused on Equity, Diversity, and Inclusion Efforts in a Pediatric Subspecialty Fellowship <i>Anita Thomas, MD, MPH, University of Washington/Seattle Children's</i> 2. FACE ALL: Family and Community Engagement in the Assessment of Learners and Lessons <i>Olanrewaju Falusi, MD, M.Ed, Children's National Hospital</i> 3. "Put Me in Coach!" An Insider's Look to Building an Academic Support Program (ASP): A Hybrid Model of Mentorship and Coaching for Underperforming Pediatric Residents <i>Nikita Khetan, MD, University of Texas Health Science Center at Houston</i> 4. Delivering Difficult Feedback: Faculty & Resident Reactions to Personalized Feedback on Implicit Bias in Their Assessments of Medical Students <i>Rachel Poeppelman, MD, University of Minnesota</i>	Salon 4
