

Poster Session
Thursday, September 18, 2025
4:30pm-5:30pm

Posters Sorted by Primary Author's First Name

Poster Number	Title	Author
6	Scales, Intervals, and Dissonance: Difficulties in Interpretation of Harmonized Milestone Levels	Alan Schwartz
8	Beyond Residency: Developing an Advanced General Pediatrics Rotation for Upper-Level Pediatrics Residents Pursuing Outpatient Careers	Alexandra Mientus
15	Insta Intern: Exploring the Applicant Experience of Instagram as a Recruitment Strategy for Pediatric Residency	Amanda Van Pelt
39	Do Not Disturb: A Resident-Led Initiative to Safeguard Educational Time During Clinical Training	Amelia (Mia) Power
20	Does Increased Comfort in Simulation Equate to Increased Competence? A Cross-Over Assessment of Medical Education with Simulation	Andrew Droste
32	Curriculum Needs Assessment for an Integrative Medicine Rotation	April Zaat
33	A curriculum evaluation with multimodal approach to improve the NBME pediatric subject exam pass rate	April Zaat
7	"Do I Need Help?": Exploring Intern Help-Seeking Behavior During Pediatrics Night Float	Beth Torwekar
30	Evaluating Virtual Reality as a Modality for Teaching and Retaining Neonatal Procedural Skills	Chad Marshall
41	Building, Implementing, and Evaluating a QI Curriculum for Pediatric Residents	Charlotte McCrary
19	Implementing Trauma-Informed Care Training for Interdisciplinary Inpatient Pediatric Hospitalist Teams	Christine Thang
46	Pediatric Resident Safety Council: A Model for Increasing Resident Engagement in Institutional Quality Improvement and Safety	Ciara Brown

26	Transitions into GME Program Leadership Roles in Neonatal-Perinatal Medicine: Opportunities for Improvement	Courtney McLean
37	Exposure to Pediatric Content and Educators in the Pre-Clerkship Curriculum: A Needs Assessment	Katherine (Katie) O'Donnell
38	Where are the Pediatricians? The Footprint of Pediatric Faculty in Key Medical School Leadership Roles	Katie O'Donnell, MD
24	Enhancing Medical Student Assessment in the Pediatric Clerkship Through Direct Observation: Implementation of a Core Faculty Model	Elizabeth Pingree
28	Exploring Peer Coaching Needs in a Pediatrics Residency Program	Emily Leyden
35	Management of Acute Chest Syndrome and Septic Shock: A Simulation for Pediatric Trainees	Harriet Leahy
2	LEARNER (Leading Engaging Activities for Resident NICU Education and Retention): Enhancing Training in the NICU Through Active Learning Strategies	James Rohwer
13	From Panic to Proficiency: A Simulation-Based Pediatric Trauma Training Initiative	Jennifer Jamerino-Thrush
21	Building Alliances at the Bedside: An Interprofessional Intervention to Respond to Mistreatment	Jennifer Kesselheim
42	Summer HEAT (Healthcare Education and Training) Series to Foster Interprofessional Education	Jennifer Maniscalco
43	Improving Medical Student Educators' Knowledge and Confidence in Accessibility and Disability Inclusion Through a Targeted Session	Kamber Hart
4	Disseminated Intravascular Coagulation (DIC) in a High-Risk Pediatric Oncology Patient: A Simulation Case for Residents and Fellows	Kimberly Walter
3	Exploring the Rates of Depression, Anxiety and Stress Among Residents and the Role of Protective and Risk Factors among International Medical Graduates and American Medical Graduates.	Krithika Murthy
40	A National Assessment of Diversity, Equity, and Inclusion Efforts in Pediatrics Residency Programs	Lauren Nassetta
16	Development of a Simulation-Based Mastery Learning Curriculum for Pediatric Residents Managing a Tracheostomy Emergency	Leah Jorgensen-Kamin
11	Simulation Embedded Within a Primary Care Rotation Improves Procedural Comfort for Pediatric Residents	Leah Kaye
36	Protecting Resident Protected Time	Megan Bader
14	TL;DR "from what I'm reading in this thread, don't go into pediatrics" A Qualitative Description of Reddit Perceptions of Pediatrics	Meredith Mitchell
45	Brief Video Intervention Improves Resident Physician Knowledge and Confidence Referring Families to WIC	Molly Kuehn
17	Feedback: A Journey from Avoidance to Coaching	Movicque King
31	Simulations Improve Cultural Humility In The NICU	Nkiru Obi
29	Early Outcomes from the Launch of Workplace-Based Assessments (WBAs) in Pediatric Clerkships: A Competency-Based Medical Education Initiative	Rebekah Burns, MD
23	Learning and Teaching Adolescent Substance Use and Addiction: A One Week Active Learning Curriculum for Pediatric Residents	Ruth Akindele
1	Enhancing Trainee Confidence and Knowledge in Managing Clinical Emergencies: A Research Initiative Using Systems Based Simulations in a Pediatric Residency Program	Ryan Dunne
34	Call Me Maybe? Prepping Pediatric Interns for the Real Ring	Samantha Mansberger-Duchesne

5	Optimizing Effective Feedback for Residents Utilizing an Objective Measurement Tool: A Feasibility Study	Satvika Mikkilineni
44	Assessing a Medical Education Initiative Aimed at Preparing Pediatric Trainees to Care for Deaf and Hard-of-Hearing Patients	Steven Duncan
22	Simulation Curriculum to Train Pediatric Residents to Implement Trauma Informed Care in Clinical Settings	Tavishi Chopra
12	A Simulation-Based Approach to Near-Fatal Bronchospasm Complicated by Septic Shock	Taylor Merritt
25	The Engagement Equation: Exploring Social Media Use in Pediatric Residency Programs	Taylor Selby
18	Differences between 1-player and 2-player Virtual Reality Training for Neonatal Resuscitation Program (NRP) Skills: a quasi-randomized comparison trial	Todd Chang
10	Improving Feeding/Enteric Tube Education for Medical Students Using Simulation-based Learning	Tolulope Fatola
27	Bridging the Gap: Resident Education on Services for Children with Developmental Delays	Vidisha Jain
9	Residents as Teachers: A Qualitative Study to Explore Resident Perspectives on Teaching while in Training	Yasamin Vafai
