Use of Artificial Intelligence

APPD allows for AI to be used as a tool while preparing the submission, but authors must disclose the AI tools used. All authors are responsible for the accuracy of AI-generated content. If AI tools were used, please indicate the specific tools used.

Please specify any special session needs such as technology, or special meeting room set up

At minimum all ELS sessions will be provided screen, projector, laptop, podium with microphone, faculty head table with chairs.
