

Poster Session
Friday, September 25, 2026
4:30pm-6:00pm

(Posters can be hung up any time after 11am)

Posters Sorted by Primary Author's Last Name

Poster Number	Title	Author
21	Talk the Talk: Contraceptive Counseling in Pediatric Primary Care Training	Abdulla, Layla
16	Using Reliability Audits as a Practical Quality Assurance Strategy to Improve Holistic Application Review	Anani, Uchenna
12	Closing the Communication Gap on Family-Centered Rounds: AI-Enhanced Health Literacy Training for Pediatric Residents	Anuth, Katja
44	A Needs Assessment for Pediatrics Residency Education in Pediatric Cardiology	Bahrami, Gabriel
26	Changing How We Teach: The Impact of a Resident-Driven, Board-Focused Curriculum on Resident Participation and Comprehension	Barnett, Jessica
53	Improving Board Relevance of Noon Conferences for Pediatric Residents: A Resident-led QI Project	Benge, Aaron
47	Comparing Facilitated Vs. Independent Case-Based Learning Tools on Improvement of Diabetes Knowledge Among Pediatric Residents	Biro, Juliana
20	Beyond Milestones: A novel tool to enhance goal setting and feedback along the educational trajectory for interprofessional palliative care fellows	Bloomhardt, Hadley
10	PedsRheumSim: High-Fidelity Simulation for Pediatric Rheumatology Learners	Bridges, John
43	Moving Community Conversations: The Fellows' Community Bus Tour	Brissett, Kammeron
49	Implementation of Workplace-Based Assessments in a Multi-Site Pediatric Clerkship	Burns, Rebekah

19	Resident Perspectives on Nighttime Education	Chen, Elizabeth
14	Increasing Resident Physician Participation in Legislative Advocacy Through Simple & Structured Training	Chilcutt, Laura
50	Increasing Resident Evaluations on PHM Nights Using an EPA-Based Evaluation Platform	Colville, Katherine
48	Feedback and Growth: A Longitudinal Exploration of Learner Experiences with Workplace-Based Assessments at Two Institutions	Costich, Marguerite
27	The Impact of SOAP Feedback Training on the Quality of Feedback Provided by Standardized Patients	Dahlquist, Kayla
25	Assessing the change in grade outcomes for the clinical core clerkships from academic year 24-25 to academic year 25-26 for M3 students utilizing a new grading policy: a quantitative outcomes assessment. LCME Element 9.6: Standards of Achievement.	Dodson, Charlene
11	The Resident – Nurse Buddy System: Building the foundation for positive interprofessional relationships and collaboration in an inpatient pediatric unit	DuMont, Mieke
4	Navigating Moral Distress in the NICU: A Novel Roadmap for Fellows	Evans, Hailey
46	Creating a Mental and Behavioral Health Curriculum Addressing Resident Needs and Revised ABP Guidelines	Fasman, Adam
13	Simulating the Research Process: A Workshop to Build Resident Confidence and Engagement in Scholarship	Feinstein, Laurence
9	Food as Medicine Seminar: A Novel Culinary Medicine Seminar to improve nutrition competencies for Pediatric Residents and Medical Students	Gerstle, Karyn
52	A NICU Bootcamp for Pediatric Interns: Bridging the Confidence Gap Driven by ACGME Curricular Changes	Green, Daniel
41	Modeling Wise Responses to Messy Communication: A Faculty Development Initiative to Address Professionalism Concerns	Halvorson, Elizabeth
29	Impact of a Real-Time Evaluation Tracker on Resident Rotation Evaluation Completion Rates	Hart, Kamber
1	Improving Medical Student Confidence in Firearm Safety Counseling Through a Brief Clerkship Intervention	Jazic, Aeva
37	Standardized Participant Simulation to Enhance Prenatal Counseling Skills for Congenital Heart Disease: A Pilot Study	Karnik, Ruchika
2	Improving Pediatric & Internal Medicine-Pediatric Residents' Competency in Neonatal Ventilator Management Through a Structured NICU Ventilation Workshop	Khan, Mudassir
15	Enhancing Pediatric Clinical Skills: Utilizing Mini-CEX for Structured Feedback among Pediatric Residents	Kumar, Gurinder
35	Development and Validation of a Low-Cost 3D-Printed Proximal Tibia Intraosseous Task Trainer With Procedural Checklist for Medical Learner Procedural Education	Lababidi, Ahmed
30	Improving Motivational Interviewing and Procedural Skills Through Vaccine Administration Training in Medical Education	Li, Joy
22	Adapting Pediatric Simulation Education to the Outpatient Setting: Development of an Urgent Care Curriculum with Novel Communication Learning Objectives	Lossner, Amanda
34	Developing Tomorrow's Physicians: a Hands-On Collaboration with the American Academy of Pediatrics to Augment Medical Student Education	Lundquist, Corrin

45	Mortals vs. Machine: A Comparative Analysis of Faculty and AI-Generated Pediatrics Clerkship Narrative Evaluations	MacMahon, Alyssa
42	Mock Ethics Consultation: A Learning Experience to Apply the Principles of Bioethics	Rinnan, Jean Marie
24	Building, Implementing and Evaluating a Quality Improvement and Patient Safety Curriculum for Pediatric Residents	Mendoza, Joanne
23	Are Fellows Ready for Unsupervised Practice After 3 Years of Fellowship?	Mink, Richard
28	Assessing Educational Needs and EPA-Based Teaching in the PICU.	Mohamed, Abeir
32	The Art of Uncertainty: AI-based Simulation as a Novel Learning Platform for Communication and Tolerance of Medical Ambiguity	Na, Diane
6	A Longitudinal, Multi-Modal Curriculum to Build Resident Competence in Pediatric Obesity Care	Nguyen, Angela-Tu
39	Should you be able to graduate after two years? Graduating Pediatric fellows' perspectives on the American Board of Pediatrics' new training initiative.	Quijano, Amanda
21	Talk the Talk: Contraceptive Counseling in Pediatric Primary Care Training	Pickel, Julia
51	Individualized Curriculum in the setting of X+Y Scheduling Framework	Racherla, Vandana
40	Pediatric Emergency Medicine: Success Through Early Mentorship (PEM STEM): Preliminary Findings from a National Survey of Current Fellows	Rutowicz, Nicholas
17	Building Confidence to Address Vitamin K Misinformation: A Medical Student Role-Play Curriculum	Schultz, William
54	Exploring the Utility of Multi-Patient Immersive Simulations (MPIS) as compared to typical simulation for Pediatric Residents at a Military Treatment Facility (MTF)	Schultz, Brian
8	Improving Knowledge, Confidence and Skills of Pediatrics Residents in Second Tier Traumas	Shaw, Allison
38	Implementation of a longitudinal faculty development program to prepare community pediatric faculty for precepting medical students	Smith, Valerie
36	Creating "Fellowship" in Fellowship: A Mixed Methods Study Evaluating a Core Clinical Faculty Pilot Project	Stafford, Lily
33	Preparing for Pediatrics: A Peer-Led, Hands-On Clerkship Skills Session	Taylor, Michael
31	Mixed methods study of the SIDEKICKS program impact on medical student empathy and professional identify formation	Vogt, Bennett
7	A Mixed-Methods Needs Assessment of Senior Resident Teaching During Family-Centered Rounds to Inform Development of a Teaching Intervention	Warhadpande, Maitreyi
18	"My Voice Was Valuable:" Psychological Safety as a Facilitator of Learning Behaviors in the Clinical Learning Environment	Weiss, Anna
5	Generative AI Mapping of ACGME Neonatal-Perinatal Medicine Milestones for Clinical Competency	Wiggins, Jaclyn
3	Pilot Evaluation of Asynchronous Pediatric Nephrology Video Curriculum	Zitnik, Edward
